

## EXPRESSION OF INTEREST

# Temporary Activations and Event Partnerships 2026/2027

### Overview

#### TIMELINE

|                            |                          |
|----------------------------|--------------------------|
| EOI opens                  | 2 March 2026             |
| EOI closes                 | 23 March 2026 4.00pm WST |
| EOI assessment period      | 24 March – 9 April 2026  |
| EOI applicant notification | 30 April 2026            |

#### QUALITATIVE CRITERIA

It is essential that respondents address each qualitative criterion, as it will be used as the basis for assessing proposals. Failure to provide the requested information may result in elimination from the process. Refer to selection criteria for details.

| Description of criteria                                             | Weighting |
|---------------------------------------------------------------------|-----------|
| Alignment to the City's Strategic Objectives                        | 30%       |
| Appropriate level of risk management and insurance documentation    | 20%       |
| Business profile, demonstrated experience and skilled key personnel | 20%       |
| Creativity of the proposed project or activity                      | 15%       |
| Community benefit, access and inclusion                             | 15%       |

## SUBMISSION PROCESS

Please complete the Expression of Interest form and submit with your supporting documentation before **23 March 2026 4.00pm WST** to [bookings@southperth.wa.gov.au](mailto:bookings@southperth.wa.gov.au)

## Introduction

### THE CITY

The City of South Perth is a medium-sized metropolitan local government authority located 4kms from the Perth CBD. The City of South Perth covers the suburbs of South Perth, Kensington, Como, Manning, Karawara, Waterford and Salter Point. The City covers nearly 20 square kilometres and is widely recognised for its aesthetic appeal and amenities.

There are many major attractions in the City which include Mindeerup, Sir James Mitchell Park, the Old Mill, Ferry Tram, Perth Zoo, Royal Perth Golf Club, Collier Park Golf, and other destinations.

### EXPRESSIONS OF INTEREST

The City is inviting Expressions of Interest (EOI) from commercial businesses and community organisations to activate the South Perth Foreshore or other City parks and reserves through the facilitation of temporary recreational activities or associated operations during 2026/27 (*Note: multi-year agreement/licence agreement renewal option may also be negotiated between the parties*).

The City is eager to hear from you if you feel you can support the City to achieve its strategic objectives as detailed in the [Strategic Community Plan 2021-2031](#); [Cultural Plan 2023-2028](#) and [South Perth Foreshore Strategy and Management Plan 2025](#). Strategic objectives include:

- Embrace and facilitate unique events and attractions on or near the foreshore areas and reserves;
- Facilitate and create opportunities for social, cultural and physical activity in the City; and
- Undertake events and attractions to grow tourism to local destinations.

The proposal should also be consistent with the [Perth Water Precinct Plan](#).

## TYPES OF OPERATIONS

Operations may include (but not be limited to):

- Recreational activities such as water based (e.g kayak, sailing, jet-ski hire) or land based (e.g bike hire, sporting activities, fitness classes)
- Mobile food vendors
- Buskers/street entertainment
- Events and tours
- Host events held in partnership with the City (e.g tree planting, Remembrance Day, Southside Summer)

The EOI process does not exclude other proposals from being submitted to the City and assessed during the year.

## Selection criteria

| Description of criteria                                                                                                                                                                                                                      | Weighting | Requirements |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|--------------|
| <b>City's strategic objectives</b><br>Alignment to support the City achieving the objectives listed in the City's Strategic Community Plan and associated plans (shown above).                                                               | 30%       | Essential    |
| <b>Risk management plan and insurances</b><br>A detailed risk management plan with risk assessments and business insurance policy and documentation.                                                                                         | 20%       | Essential    |
| <b>Business profile</b><br>A detailed business profile, demonstrating experience completing similar projects, skills and experience of key personnel and business reputation.                                                                | 20%       | Essential    |
| <b>Creativity</b><br>There is a uniqueness of concept/experience.                                                                                                                                                                            | 15%       | Essential    |
| <b>Community benefit and access/inclusion</b><br>The activity or operation is affordable and can be accessible to all community members (including taking into consideration community members who may have a disability or mobility issue). | 15%       | Essential    |

## SPECIFIC LOCATION OF ACTIVITY

The proposed activity must be compatible with the chosen location. See Appendix A for more details.

## Assessment and approval process

Applicants will be assessed by the City and be advised of the outcome by written correspondence.

The EOI process is the first step in the application process. Applicants should be aware that if their EOI progresses to the next stage, other approvals may be required, such as Department of Planning, Lands and Heritage approval; Department of Biodiversity, Conservation and Attractions approval; and/or Council approval.

There should be no expectation that if an EOI is approved applicants can commence trading straight away. Applicants should allow a minimum of eight (8) weeks to obtain the necessary approvals prior to their proposed project commencement date.

## Terms and conditions

Approved proposals will be subject to terms and conditions, including payment of fees, compliance with reserve usage conditions etc. The fees will be determined depending on the scale and scope of the activity.

The table below provides a guide regarding the fees and charges (these fees are subject to change as part of the City's annual budget setting process).

|                                                       |                                                                                                                  |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Licence fee</b>                                    | Price to be determined depending on location, area, type and length of activation (up to \$150 per square metre) |
| <b>Alcohol consumption fee</b>                        | \$72                                                                                                             |
| <b>Event administration fee</b>                       | \$350                                                                                                            |
| <b>City Ranger fee</b>                                | \$500                                                                                                            |
| <b>Car parking fee (per zone)</b>                     | \$360                                                                                                            |
| <b>Signage fee</b>                                    | \$75                                                                                                             |
| <b>Vehicle access fee</b>                             | Price determined depending on vehicle type and weight (\$198 - \$660)                                            |
| <b>Site inspection fee</b>                            | \$192                                                                                                            |
| <b>Bond</b>                                           | Price to be determined depending on type and length of activation                                                |
| <b>Turf maintenance cost (for large scale events)</b> | \$10,000 per hectare pro-rata                                                                                    |

|                                    |  |
|------------------------------------|--|
| /activities held on City reserves) |  |
|------------------------------------|--|

## What to submit

As part of your EOI you will need to submit the following:

- EOI Application Form
- Supporting Application Questions in line with the selection criteria
- Risk management plan or assessment, insurances and any other relevant documentation
- References to support your application (including business, contact person and details and the project details).

## TIMELINE

|                            |                          |
|----------------------------|--------------------------|
| EOI opens                  | 2 March 2026             |
| EOI closes                 | 23 March 2026 4.00pm WST |
| EOI assessment period      | 24 March – 9 April 2026  |
| EOI applicant notification | 30 April 2026            |

## Contact

If you have any questions relating to the EOI process please contact Leonie Moss, Recreation Development Officer (Community Facilities) by email at [bookings@southperth.wa.gov.au](mailto:bookings@southperth.wa.gov.au) or phone on 9474 0857.

Please provide a brief description (*Note: Zones 8 and 15 are only available for carparking*):

## SUPPORTING QUESTIONS

**How does your proposed activity support the City to achieve its objectives?**

Please refer to the City's Strategic Community Plan and associated plans.

**Please provide a detailed description of how your activity or operation will be managed.**  
Include reference to the selection criteria regarding risk management and insurance.

**What is the main purpose of your organisation and how long has it been in operation?**  
Please refer to further documentation that may support your application (e.g attach a business profile/resume or other documents demonstrating experience completing similar projects, skills and experience of key personnel and business reputation).

**Provide a detailed description of your activity and explain the objectives of your activity or operation.** Please include reference to the selection criteria regarding creativity and uniqueness of the activity.

**How will your proposed activity or operation provide a community benefit?**

Explain how it can be affordable and accessible to all community members (taking into consideration community members who may have a disability or mobility issue).

## Appendix A – Location Options

The proposed activity must be compatible with terms and conditions of the chosen location. The South Perth Foreshore areas and or other City of South Perth parks may be suitable for your proposed activity (see summary below).

### SOUTH PERTH FORESHORE – ZONES

#### South Perth Foreshore/Sir James Mitchell Park

The park stretches along the Swan River from Mends Street jetty to Ellam Street, comprising 16 zones with different land ownership, zoning and usage conditions. State government approval for commercial operations will also be required through Department of Planning, Lands and Heritage and Department of Biodiversity, Conservation and Attractions (DBCA). See table below and [South Perth Foreshore Strategy and Management Plan 2015](#) (pages 91-93) for more information.
