

Book your **Verge Valet™** bulk rubbish collection for a date that suits you.

Verge Valet™ is the convenient new bulk rubbish service that's streets ahead of the old, messy communal collections.

Verge Valet™ is for junk. If it's still got life in it, drop it off at the new City of South Perth Reuse Shop, or try selling or gifting it online.

We sort what we do collect, so as little as possible ends up in landfill.
