

CITY OF SOUTH PERTH

YOUTH MAKERS MARKETS

EXPRESSION OF INTEREST 2026/27

YOUTH MAKERS MARKETS

EXPRESSION OF INTEREST 2026/27

The City of South Perth is excited to once again host the Youth Makers Markets at two major community events throughout the year. These markets provide local young people aged 10–25 years with the opportunity to showcase their talents, sell their products, and grow their small businesses while connecting with the wider community.

UPCOMING EVENTS

- Sunday 6 December 2026 – Carols at Sunset | 5.30–8.30pm | Mends St Foreshore
- Saturday 20 February 2027 – South Perth Sounds | 5–8.30pm | Sir James Mitchell Park

We aim to spread stallholders evenly across all events, so not everyone will be selected for every event. Applicants will be contacted prior to each event to confirm their participation.

Each application will be assessed against the following criteria:

- Connection to the City of South Perth (local resident, student, member of local community or sporting club).
- Market selling experience (preference will be given to applicants looking to gain experience).
- Originality of products.

Examples of potential stall holders include but are NOT limited to:

- jewellery making
- plants/gardening items
- handmade or repurposed clothing
- homewares
- arts, crafts and hobbies.

Please complete the Youth Stallholder Application Form (below) and submit it to youth@southperth.wa.gov.au by the closing date listed.

- EOI opens - Monday 5 October 2026
- EOI closes - Friday 6 November 2026
- Applicants notified of outcome – Friday 13 November 2026
- Event-specific information packs – Sent to confirmed stallholders prior to each event

Youth Stallholders Application Form

Your full name: _____

Your date of birth: _____

Your email address: _____

Your phone number: _____

Do you have any dietary requirements/medical conditions that we need to be aware of?
