

## SOUTH PERTH

Just two kilometres from Perth's CBD across the Swan River, this picturesque foreshore area is filled with vast parklands, natural wetlands and leafy residential streets, mixing stately Federation homes, 1960s modernism and contemporary apartment buildings. Home to Perth Zoo, its small bustling villages of Mends and Angelo Streets, along with Como's Preston Street, are characterised by specialist shops and alfresco dining, attracting locals and visitors alike. Catch the ferry from Barrack St Jetty and meander through the iconic Sir James Mitchell Park before relaxing and taking in the best views of the Perth city skyline.
