## Introduction

### The City

The City of South Perth is a medium sized metropolitan local government authority located 4kms from the Perth CBD. The City of South Perth covers the suburbs of South Perth, Kensington, Como, Manning, Karawara, Waterford and Salter Point. The district is primarily residential; however, important local industries include professional offices, educational institutions, tourism and golf courses.

### Expressions of Interest

The City of South Perth (City) is inviting Expressions of Interest (EOI) from commercial businesses and community organisations to activate the South Perth Foreshore or other City parks and reserves through the facilitation of temporary recreational activities or associated operations during the 2022/23 financial year (*Note: multi-year agreement/licence agreement renewal option may also be negotiated between the parties*).

The City is eager to hear from you if you feel you can support the City to achieve its strategic objectives as detailed in the [Strategic Community Plan 2020-2030](#); [Cultural Plan 2019-2023](#) and [South Perth Foreshore Strategy and Management Plan 2015](#) that:

- Embrace and facilitate unique events and attractions on or near the foreshore areas and reserves;
- Facilitate and create opportunities for social, cultural and physical activity in the City; and
- Undertake events and attractions to grow tourism to local destinations.

The proposal should also be consistent with the [Perth Water Precinct Plan](#).

### Types of operations

Operations may include (but not be limited to):

- Recreational activities such as water based (e.g. kayak, sailing, jet-ski hire etc.) or land based (e.g. bike hire, sporting activities, fitness classes etc.)
- Mobile food vendors
- Buskers/Street entertainment
- Events
