## **1.2 BACKGROUND**

The Comer Reserve Pavilion has recently undergone refurbishment works resulting in a newly created space within a high exposure area adjacent to a recreation reserve.

An opportunity now exists for a business, service provider, community group, sports club or not-for-profit association to activate the newly created space by way of a creative business venture for a permitted use that can benefit the community.

Applications will be assessed against selection criteria including a requirement for the successful applicant to ensure their operation/proposal will complement the social, recreational and economic services provided by the City.

## **1.3 LOCATION**

The property is located approximately 3.8 kms south of the Perth CBD within the long established and primarily residential suburb of Como.

More particularly, the subject property is located on the eastern site of Melville Parade, which runs alongside the Kwinana Freeway. The property forms part of the broader Comer Reserve which is an attractively landscaped area of recreation which includes barbeque facilities, play equipment, sporting oval and a planned dog park (currently under construction). The reserve also encompassed the Como Croquet Club.

To the north and south are various commercial users including the Pagoda Resort and Spa. Some 200m to the south is the Preston Street café'/retail strip.

The subject tenancy shares a broader community building which includes the South Perth Toy Library, together with public ablutions. A small parking area is featured to the east, with a larger parking area to the north, in addition to surrounding street parking.

Given its long-established nature, the surrounding suburb provides for all manner of community, recreational, commercial and educational infrastructure.
