

**City of South Perth
Draft local planning strategy**

Schedule of Modifications

1. Modify explanation for the R Codes in the Key terms used table (page ...) by deleting sentences referring to the strategy map and multiple dwellings, and table depicting R Codes and building heights.
2. Modify the second sentence in action 4.1.1(d) by replacing the words “review its dwelling infill” with “progress towards its infill targets”.
3. Modify actions 4.1.1(f), (g) and (h) to acknowledge that operational efficiency and function of the regional roads are also relevant considerations.
4. Modify action 4.1.1(f) by deleting “(between R50 and R80)”.
5. Modify action 4.2.4(d) by deleting “with a gross floor area less than 1200 square metres”.
6. Modify the strategy map by identifying all existing local/neighbourhood centres.
7. Include additional information in appropriate part of the draft local planning strategy to substantiate precluding consideration of urban corridors designated in the Central Sub-regional Planning Framework along Labouchere Road, Angelo Street, Jackson Road and Gwentyfred Road.
8. Undertake any other modifications as required to correct and/or update typographical errors, cross referencing of terminologies and/or clauses, approved local planning scheme amendments or the like, in consultation with the Department of Planning, Lands and Heritage.
