

Candidate Details

Ballot paper name	CRIDLAND, Glenn
Candidate name	Glenn CRIDLAND
District	City of South Perth
Nominating for	Councillor for Como Ward
Election type	Ordinary
Enrolment status	CRIDLAND, Glenn is eligible to stand for election as a resident of the City of South Perth.

Como and South Perth have been our home for the last 27yrs. We built our house and raised our 3 children who have gone to local schools and played for local sports clubs. We are deeply rooted and connected in our community (our family first lived in Como 75yrs ago).

I have practised as a barrister for the last 16yrs, Como Councillor and Deputy Mayor (16 and 6yrs), South Perth DAP member (11yrs). I bring all that experience. In an innercity area with a growing population and increasing traffic / density / building heights, I have achieved results (eg Comer Reserve, Manning Rd On-ramp, low rates, councillor-developer contact register).

If re-elected I will continue to work to - keep rate increases low and deliver for residents including on community safety; protect local heritage, reserves and public open spaces; enhance our leafy streets by addressing barren / unsightly spaces (eg parts of Canning Highway); plant additional verge trees; provide needed new community infrastructure.
