Como Ward has been my family's home for 12 years. I care deeply about its people, character, and environment, and I want to give back to the community as your Councillor. **I'm committed to independent, community-focused decision making always guided by honesty and integrity.**

Working for local government and community for 25+ years as an urban planner, I've helped create sustainable, vibrant, and inclusive neighbourhoods. I've also been a strong advocate for protecting our urban tree canopy, essential to our identity and well-being. With my experience, I'm eager to listen to your concerns and work together with you on the challenges we face.

My key priorities are: Leafy, liveable, inclusive neighbourhoods; Sustainable and neighbourly development; Economic responsibility; Infrastructure that benefits our community.
