THE EXPERIENCE TO DELIVER: It's been my honour to serve as your **Independent** & donation-free **Local** Councillor since 2017 + 4yrs as **Deputy Mayor**. A Trinity old boy & **Waterford local**, I'm an AICD Company Directors Course graduate with degrees in Law & Engineering (Hons).

A Proven Track-Record: I've always put **ratepayers first**: restored the budget to Operating **Surplus** & in 8yrs never voted for a rates rise above CPI. I've defended our suburbs by fighting for height limits & **lower zonings**.

I've **Delivered Vital Investment** to our local community:

Together - we've achieved a lot, but the jobs not done yet.

I'll fight for: 1. CPI rates cap 2. Indoor Rec Sports Courts

3. Responsible financial management

4. New Dog Park 5. Foreshore protection
