Enrolment status	ORD, Joanne is eligible to stand for election as a resident of the City of South Perth.

Hello Manning Ward - our City has been my home for over 10 years and I wouldn't want to live anywhere else. As an experienced civil engineer (25 yrs), I have a passion for **improving community amenity and respecting our environment**. I'm active in volunteer and community groups in Manning Ward. **I'll advocate for you on local issues**, be accessible and consultative.

As your Councillor, I'll also work hard to advance:

- Challenger Reserve Masterplan progress
- an indoor multi-court facility
- Karawara Pedestrian and Cycle Access Plan progress
- community safety initiatives, including improved public lighting
- enhancement of public open spaces for residents and wildlife.

I'll ensure due regard is given to preserve our amenity in planning matters. Delivering sound financial outcomes is also a priority.

With no political party affiliations and not accepting donations, I'm a true **independent** who'll make merit-based decisions for us all.
