I'm a local gay man with a long-term partner who lives in South Perth. I hold law degrees from the ANU and Peking University. I come from a close family, my twin sister also lives in South Perth and we were mostly raised by a single mother who was a secretary at Perth Modern School.

If elected I will:

1. Develop a medium and long-term Traffic Plan for the City of South Perth in conjunction with the Department of Transport.
2. Utilise my experience as a lawyer to develop sound, responsible policies for the benefit of all.
3. Safety - put in place effective measures to stop the hoons on the South Perth Foreshore; increase public lighting; work with the Local Member/Police Minister to improve the safety of all.
4. Green Canope - work to significantly increase the greening of our City and prioritise the majority over the minority.
5. Sporting Facilities - you deserve better facilities and better representation.
6. Rates - To ensure everyone's money is spent wisely and effectively.
