Hi

My name is **Emma Dale-Squires**, and I'm running to be your councillor for Moresby. I have spent over 15 years of my life in Moresby, and I am passionate about making Moresby a better place. I have the skills and drive to deliver.

I am a Cybersecurity and IT professional, working as an Independent Contractor. I also studied physical security at university. My job means I love solving problems, and my passion for security drives me to advocate for a safer, stronger community. I will:

Protecting the Environment: I will advocate for increasing the tree canopy cover in Moresby and South Perth. I will also be a strong voice in advocating against the Burswood racetrack.

Public Safety: I will advocate to increase community safety in Moresby through environmental design, and push for more lighting.

Community Wellbeing: I will support community initiatives such as local sports, family and youth activities, and community groups.

Keeping Rates Low: I will advocate to keep rates low for all residents.
