Hello, Moresby Ward has been home to our family since 2002. For us Moresby is the sweet spot. A place of unique suburban character and amenity worthy of preserving and enhancing. I wish to support Moresby by offering:

**Delivery to the Community** 30yrs as a Masters qualified engineer now working in asset management and technical governance, I can offer diligence and experience to deliver improved and new assets

**Fiscal Responsibility** Experience in budget control and oversight to ensure your rates are used effectively and are sustainable into the future

**A passion for the environment** Preserving and enhancing our public open spaces, its natural flora and fauna. It is important to us all

**Planning** As a previous member of the Development Application Panel, I have experience in State & Local Planning Policy to ensure planning is rigorous and a community interest upheld

**Independence** I am not a member of any political party nor receive any donations. It's just me and my fiduciary duty to the community
