Ballot paper name	YOUD, James
Candidate name	James Lyall YOUD
District	City of South Perth
Nominating for	Councillor for Moresby Ward
Election type	Extraordinary
Enrolment status	YOUD, James is eligible to stand for election as a resident of the City of South Perth.

Local school teacher and long-time Como resident.

I have lived, worked and studied in the City of South Perth for most of my life. From McDougall Park Kindy to Como Primary and Wesley College, to now teaching locally and owning a home in Moresby Ward, this community has shaped who I am.

As a teacher and, this year, a Growth Team Officer helping graduate teachers in WA, I've learnt the importance of listening to concerns, representing others and ensuring every voice is heard and considered.

Residents deserve a councillor who is visible, approachable and willing to explain Council decisions.

If elected, I will support transparent, accountable decision-making; scrutinise spending to help keep rate rises as low as practicable; communicate openly with residents; and prioritise maintaining parks, streets and facilities our community relies on.

I can't promise radical change, but I can promise to listen, be approachable and, as the Como Primary motto says, do "Only My Best" for our community.
