2.6 Conditions

- (1) For the purpose of ensuring that the premises to which an application relates are suitable for the additional number of cats, the local government may impose any condition that it considers appropriate for that purpose, including—
- (a) that the premises must be adequately fenced (and premises will be taken not to be adequately fenced if there is more than one escape of a cat from the premises); that there must be adequate space for the exercise of the cats;
 - (b) that, in the case of multiple dwellings where there is no suitable dividing fence, each current occupier of the adjoining multiple dwellings must give their written consent to the approval; and
 - (c) that, without the consent of the local government, the approved person must not substitute or replace any cat that dies or is permanently removed from the premises.

- (2) An approved person who does not comply with a condition of the approval commits an offence.

2.7 Renewal of an approval

- (1) The local government is to renew an approval if—
- the approved person has not breached the conditions of the approval;

- (4) The local government may, in respect of an application for the transfer of an approval—
- grant the application, subject to any conditions that the local government may impose under clause 2.6; or
 - refuse to grant the application.
- (5) If the local government grants an application for the transfer of an approval—
- it is to issue to the transferee an approval in the form determined by the CEO; and
 - on the date of the grant, unless otherwise specified in the approval, the transferee becomes the approved person for the purposes of this local law.
- (6) If the local government refuses to grant an application for the transfer of an approval, it must advise the applicant in writing of its decision.

2.9 Variation or cancellation of an approval

- (1) The local government may, at any time, vary the conditions of an approval by giving written notice to the approved person and specifying the date on which the varied conditions are to become effective.

- (3) If the local government cancels an approval—
- it must give written notice to the approved person of its decision and the date of effect of the cancellation; and
 - the fee paid for the approval is not refundable for the term of the approval that has not yet expired.

2.10 Objection and review rights

A decision of the local government made under Part 2 is a decision to which Division 1, Part 9 of the *Local Government Act 1995* applies.

PART 3—APPROVED CATTERY ESTABLISHMENT

3.1 Interpretation

In this Part, unless the context requires otherwise—

cattery means any premises where more than 3 cats are boarded, housed or trained temporarily, whether for profit or otherwise, and where the occupier of the premises is not the ordinary keeper of the cats;

licence means a cattery licence issued under this local law;

licensee means the holder of a licence;

premises, in addition to the meaning given to it in section 3 of the Act, means the premises described in the application to be licensed as a cattery; and

transferee means a person who applies for the transfer of a licence to him or her under clause 3.14.

3.2 Operating a cattery without a licence

A person who, without a licence, operates a cattery commits an offence.

3.3 Application for a licence to be a cattery

An application for a licence must be in a form approved by the CEO and must be lodged with the local government together with—

- (1) details of the number of cats and a description of the cats proposed to be kept on the premises;
- (2) plans and specifications of the premises, including a site plan;
- (3) copies of the notices to be given under clause 3.4;
- (4) written evidence that either the applicant or another person who will have the charge of the cats will reside on the premises or, in the opinion of the local government, sufficiently close to the premises so as to control the cats and ensure their health and welfare;
- (5) a written acknowledgement that the applicant has read and agrees to comply with any code of practice relating to the keeping of cats which may be nominated from time to time by the local government; and
- (6) the fee for the application for a licence referred to in clause 3.11(1).

3.4 Notice of proposed use

(1) An applicant for a licence must give notice of the proposed use of the premises as an approved cattery after the application for a licence has been lodged—

- (a) once in a newspaper circulating in the district; and
- (b) to the owners and occupiers of any premises adjoining the premises.

(2) The notices in subclause (1) must specify that—

- (a) any written submissions as to the proposed use are to be lodged with the CEO within 14 days of the date the notice is given; and
- (b) the application and plans and specifications may be inspected at the offices of the local government.

(3) Where—

- (a) each notice given under subclause (1) does not clearly identify the premises; or
- (b) a notice given under subclause (1)(a) is of a size or in a location in the newspaper which, in the opinion of the local government, would fail to serve the purpose of notifying persons of the proposed use of the premises,

the local government may refuse to determine the application for a licence until each notice is given in accordance with its directions.

3.5 Exemption from notice requirements

The requirements of clauses 3.3(3) and 3.4 do not apply in respect of an application for a licence if the application is made in respect of premises on which an approved cattery is either—

- (2) a use which, under a planning scheme, the local government may approve subject to compliance with specified notice requirements.

3.6 When application can be determined

An application for a licence is not to be determined by the local government until—

- (2) the applicant has complied with clause 3.3; and
- (3) unless clause 3.5 applies—
 - (a) the applicant has submitted proof that the notices referred to in clause 3.4(1) have been given in accordance with that clause; and
 - (b) the local government has considered any written submissions received within the time specified in clause 3.4(2)(a) on the proposed use of the premises.

3.7 Determining an application

In determining an application for a licence, the local government is to have regard to—

- (1) the matters referred to in clause 3.8;
- (2) any written submissions received within the time specified in clause 3.4(2)(a) on the proposed use of the premises;
- (3) the effect which the cattery may have on the environment or amenity of the neighbourhood;
- (4) the physical suitability of the premises for the proposed use;

- (5) the structural suitability of any enclosure in which any cat is to be kept;
- (6) whether or not the imposition of and compliance with appropriate conditions of a licence will mitigate any adverse effects of the cattery identified in the preceding paragraphs; and
- (7) any other factors which the local government considers to be relevant in the circumstances of the application.

3.8 Where an application cannot be granted

The local government cannot grant an application for a licence where—

- (1) an approved cattery cannot be permitted by the local government on the premises under a local planning scheme unless prior valid development approval has been issued by the local government and the application for a licence is consistent with that approval; or
- (2) an applicant for a licence or another person who will have the charge of the cats will not reside on the premises, or, in the opinion of the local government, sufficiently close to the premises so as to control the cats and so as to ensure their health and welfare.

3.9 Decision on an application

- (1) The local government may, in respect of an application for a licence—
 - (a) grant the application as it was submitted, unconditionally or subject to any conditions that it considers appropriate; or
 - (b) grant the application but specify an alternative number of cats permitted to be kept on the premises; or
 - (c) refuse to grant the application.
- (2) If the local government grants the application subject to conditions, those conditions may relate to matters such as—
 - (a) the location, number, type, form or construction, of any enclosure in which a cat is to be kept;
 - (b) the maintenance, in good order and in a clean and sanitary condition, of each enclosure;
 - (c) the type and construction of any fencing used to confine cats;
 - (d) the maintenance, cleaning and sanitising of drinking and eating vessels;
 - (e) the method of disposal of all refuse, faeces and food waste;
 - (f) the effective control of odours, fleas and flies; and
 - (g) the provision of suitable water available at the premises.
- (3) If the local government grants the application, it is to issue a licence to the applicant in the form determined by the CEO.
- (4) If the local government refuses to grant the application, it must advise the applicant in writing of its decision.

3.10 Compliance with conditions of licence

A licensee must comply with each condition of a licence.

3.11 Fees

- (1) On lodging an application for a licence, the applicant must pay a fee to the local government.
- (2) On renewal of a licence, the licensee must pay a fee to the local government.
- (3) On lodging an application for the transfer of a valid licence, the transferee must pay a fee to the local government.
- (4) The fees referred to in subclauses (1) to (3) are to be determined by the local government under sections 6.16 to 6.19 of the *Local Government Act 1995*.

3.12 Period of a licence

- (1) if it is cancelled—on the date that written notice of the cancellation is given to the licensee, or on the date specified on that notice—whichever is the later; or
- (2) if the licensee ceases to reside at the premises to which the licence relates—on the date that written notice of the expiry is given to the licensee, or on the date specified on that notice—whichever is the later.

3.13 Variation or cancellation of a licence

- (1) The local government may, at any time, vary the conditions of a licence by giving written notice to the licensee and specifying the date on which the varied conditions are to become effective.
- (2) The local government may cancel a licence—
 - (a) on the request of the licensee; or
 - (b) if the licensee breaches the Act, the *Cat Regulations 2012*, the *Cat (Uniform Local Provisions) Regulations 2013* or this local law.
- (3) If a licence is cancelled the fee paid for that licence is not refundable for the term of the licence that has not yet expired.

3.14 Transfer of a licence

- (1) An application for the transfer of a valid licence from the licensee to another person (transferee) must be—
 - (a) made in the form determined by the local government;
 - (b) made by the transferee;
 - (c) made with the written consent of the licensee; and
 - (d) lodged with the local government together with—
 - (i) written evidence that another person who will have the charge of the cats will reside on the premises or, in the opinion of the local government, sufficiently close to the premises so as to control the cats and ensure their health and welfare; and
 - (ii) the fee for the application for the transfer of a licence referred to in clause 3.11(3).
- (2) The local government is not to determine an application for the transfer of a valid licence until the transferee has complied with subclause (1).
- (3) The local government may, in respect of an application for the transfer of a valid licence—
 - (a) approve the application, unconditionally or subject to any conditions that it considers appropriate; or
 - (b) refuse to grant the application.
- (4) If the local government approves the application—
 - (a) it is to give written notice of its decision to the transferee; and
 - (b) unless otherwise specified in the notice, the transferee becomes, on the date that the notice is given to the transferee, the licensee of the licence for the purposes of this local law.

3.15 Notification
