### Terms and Conditions

#### Background

- On 27 October 2020 (1am to 3am) local governments in the Perth metropolitan area will be undertaking an evaluation project called 'Rough Sleeper Count' to gather data on the number of people affected by homelessness within the local community i.e. people sleeping rough; and ultimately to work towards combatting homelessness.

- The City of South Perth is calling for expressions of interest from local people (aged 18years and over) to volunteer as Zone Count Leaders for the Rough Sleeper Count project, who would work in pairs and use their own vehicle to drive to local parks and other relevant sites across the City to record the incidence of rough sleepers.
- Risk management strategies will be implemented to ensure the safety of the volunteers participating in the Rough Sleeper Count.
- Volunteers will be provided with materials/water/snacks on the night; and be reimbursed for vehicle fuel costs.

**Volunteers will be required to:**

1. Submit an expression of interest/volunteer registration form for the project. All applicants will be notified the outcome; and approved applicants will be registered as official City of South Perth Volunteers. This will ensure that registered volunteers are covered under the City's insurance scheme.
2. Attend a short (30 minute) briefing session on the same night before the Rough Sleeper Count from 12.30am to 1am at the City of South Perth Civic Centre (Cnr. Sandgate Street and South Terrace, South Perth) that will include safety instructions.
3. Provide their own warm clothing, enclosed shoes and a fully charged mobile telephone.
4. Participate in a short debriefing session on the same night from 3am to 3.15am at the City of South Perth Civic Centre (Cnr Sandgate Street and South Terrace, South Perth) to discuss any issues/incidents.
