Message from your Council

WELCOME TO THE MAY EDITION OF PENINSULA

Fiesta 2015

With the days getting shorter, we welcome the cool change from our long, hot and dry summer months. It's also a time when we bid farewell to summer and all that it brings to the City.

March was a special month as we celebrated our ever popular community annual festival – Fiesta.

Since its inception in 1994, Fiesta has brought our City to life. It continues to deliver a series of eclectic and engaging events for our community, activating the City of South Perth, attracting more and more local people along with a growing number of visitors from across the City and metro area.

One highlight of Fiesta 2015 was the unique outdoor art installation 'Intrude', with 7m-tall giant rabbits visually transforming the City's foreshore precinct. People travelled from far and wide to simply see and touch the truly magical experience. It was an enchanting addition with a fairy-like feel to our 15 days of fantastic events.

Fiesta continues to showcase the best of our City. It brings together those from inside and outside our community, reflecting the diversity the City has to offer. Fiesta is only possible through the incredible and support from our community members, staff and sponsors. Thank you for all your hard work.

Meet the Mayor with Kensington Police

On the second Friday of each month, I make time to meet with residents of the City, accompanied by Kensington Police Station Officer in Charge, Senior Sergeant Ashley Goy.

The City has invited the Kensington Police on board to attend the monthly 'Meet the Mayor' event, reflecting the collaborative working relationship with the community in terms of receiving and identifying how to address and respond to local issues.

I welcome the Kensington Police joining with me at this monthly event. It really is important for the public to have a voice on local crime issues in which they can have a positive influence, and help them feel safer.

The monthly event is all about connecting with our community and listening to them. We all want someone to listen to us and often residents will pull up a chair just to chat about their experiences living in South Perth and the history of the area.

Staying in touch

To keep up to date with what is happening, like us on Facebook – City of South Perth, follow us on Twitter - @CitySouthPerth, sign up to our newsletter – *South Perth in Focus* and visit the City's website – southperth.wa.gov.au ■

Sue Doherty, Mayor

Meet the Mayor

Meet the Mayor is not only to discuss issues, it's a great opportunity for the community to get to know their Council and understand what we're here for.

When: Every second Friday of the month, 10am-12pm

Where: Outside South Perth Library, Cnr Sandgate St and South Tce, South Perth

Connect with your City online

Doneraile Reserve Drainage Basin Upgrade

Detail of the stormwater subcatchment of the basin showing contour lines and indicative drainage direction

AS PART OF THE City of South Perth's Water Sensitive Urban Design (WSUD) projects, the drainage basin in local park Doneraile Reserve, Waterford will be upgraded to better treat stormwater runoff and groundwater. The upgrade to the basin will include perimeter vegetation and general improvement in water quality. This will help protect both the local environment and the Canning River.

Doneraile Reserve's WSUD plan consists of the following components in sequence:

- **An underground gross pollutant trap (GPT):** pre-treatment of stormwater through removal of litter; vegetation matter and coarse sediments;
- **Sedimentation basin:** fine sediment settling and flow splitting function;
- **Vegetated zones (low flows) and open water zone (high flows):** plants and microbes in the vegetated zones treat the water by removing nutrients such as nitrogen and phosphorus in addition to hydrocarbons and metals. High flows are bypassed to the open water zone, this zone allows energy dissipation, settling of

solids and protection of the vegetated zone from scouring; and

- **Outflow zone:** treated flows are slowly discharged to the Canning River.

This project has taken place in collaboration with the City of South Perth and external consultants.

The final result will be improved functioning of the compensating basin that will better manage the stormwater it receives, while retaining amenity and biodiversity values in this very attractive South Perth park. ■

Works in Your Neighbourhood May and June

Roadworks and Pavement Rehabilitation

Works include some or all of the following: resurfacing with stone mastic asphalt, replacement of street kerbing on same alignment, replacement / installation of stormwater drainage structures and replacement signage and road markings.

- Marsh Avenue – Manning Rd to Parsons Ave
- Patterson Street – Clydesdale St to Lockhart St
- Renwick Street – Sandgate St to Canning Hwy
- Labouchere Rd / Preston St Intersection
- Melville Pde – Preston St to Comer St
- Onslow St – Mill Point Rd to York St

Paths

- Forward Ave – Between Goss Ave and Canavan Cres
- Sulman Ave – Between Howard Pde and Hope Ave

Drainage Works

- Stormwater drainage – infrastructure upgrade in Victoria St
- Stormwater drainage – infrastructure upgrade in Sulman Ave

Traffic Management

- Manning Rd / Ley St Intersection – signal upgrade and minor civil works
- McDonald St at various sections – slow points

Water Management Initiatives

- Doneraile Reserve – Stormwater treatment infrastructure, general civil works in and around the drainage basin and revegetation to recreate more attractive wetland area

Transfer Station

- Construction of additional bin bays for recyclable materials and general improvements to perimeter fencing and front gates ■

 @CitySouthPerth

Placemaking in the City of South Perth

It's Your Place

Community-driven Placemaking Grants

Encouraging community-led actions to increase activity and foster local pride in local places

DO YOU LOVE a local public place and see the potential for it to be more vibrant, interesting and fun? Here is your opportunity to get involved in shaping your neighbourhood.

It's Your Place is the City of South Perth's placemaking program. Placemaking is a community-driven process all about transforming shared public spaces through small-scale projects and enhancements.

The City can support residents to shape your ideas and improve your neighbourhood, and can contribute up to \$2,000 to help revitalise local shared spaces*.

Some examples of placemaking activities include:

- Community art projects that give character to a local place
- Local history projects
- Pop-up markets
- Playgrounds (excluding on school property)
- Inclusive sports, events or leisure programs

Contact the City on 9474 0777 to discuss your aspirations.

*Note: Activities must be open and accessible to all members of the public, not on private property. The City's decision is final and no correspondence will be entered into. ■

Canning Highway - #ShapeOurPlace

THE CITY OF SOUTH PERTH is reviewing existing and future built form along Canning Highway and the adjacent low density suburbs. The Canning Highway #ShapeOurPlace project will recommend changes to the City's Town Planning Scheme No. 6 to:

- Encourage high quality development that meets community expectations
- Protect existing amenity
- Create a harmonious built form transition from the highway to the lower density residential areas.

The City of South Perth's draft Local Housing Strategy (2012) identified that there are challenges for the City in managing high density development along Canning Highway and the adjacent low density residential areas. Many properties close to Canning Highway have the potential to redevelop to higher

Placemaking at Manning Community Hub

THE CITY RECENTLY held a number of placemaking activities to find out more from the community about how to best utilise the public spaces within the new Manning Community Hub precinct.

The interactive sessions were designed to gather ideas on how members of the community would like to see the area feel, look and potentially be used.

Thank you to all who contributed at the event at Manning Senior Citizens Centre, one of the two pop-up events at Welwyn Avenue Shops or via the online survey. Those who completed the online survey

densities and there is a need to review the transition from high density into the low density suburbs.

What is involved in the review?

The review will be based on community engagement alongside urban design analysis.

Stage one involves understanding the existing built form by looking at the types of housing that is already in the area.

Approximately 100 residents attended a community workshop on 28 March and contributed their ideas and feedback on the project. This information will be analysed and incorporated into the next phase of the project, which will involve the modelling of desirable future built form in the study area.

In some locations the built form is not expected to significantly change, while some locations have the potential for new development and/or modest density increases.

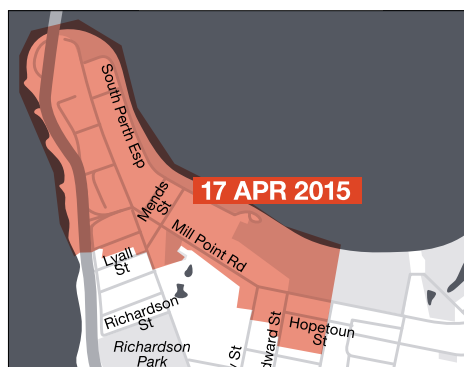

The City of South Perth will be continuing to seek feedback as we progress the project and develop recommendations for future planning. More information on the project is available on the City's website. ■

were eligible to enter a competition to win a \$50 iTunes voucher. Congratulations to the winner - Mrs Sally Ho from Manning.

The next stage of this community engagement process is for consultants to present a report to the City that summarises the community feedback. These thoughts, concepts and ideas will then be used to create a vision to be incorporated into the design for the public areas.

Construction of the Manning Community Hub Facility will commence in May 2015 and is expected to be completed at the end of 2016. For further information on this project, please visit the City's website. ■

The National Broadband Network Has Arrived!

THE NATIONAL BROADBAND NETWORK (NBN)

is an upgrade to Australia's existing telecommunications network and is replacing some of the existing landline networks for phone and internet services in your area. So to keep using affected services, you need to move them to the NBN before they're switched off.[^]

Some existing landline networks for phone and internet services were switched off and replaced by the NBN in parts of South Perth from 20 March 2015.[^]

What do you need to do?

If your address in South Perth is shaded in the above map, the NBN is now available to your premise and some existing landline networks for phone and internet services in your area are scheduled to be switched off.[^] Contact your preferred phone company or internet service provider to

move your services to the NBN and they will take care of the rest.

My NBN Neighbour

Don't let any of your neighbours get left behind without a landline phone or internet service. If you live in an area in South Perth shaded on the map, make sure your neighbours also know about switch off deadlines. We don't want anyone in South Perth left without a home phone or internet service.

For more information

Visit www.nbnco.com.au/switch

Phone the NBN Co Contact Centre on 1800 687 626.

If you need an Interpreter, please call Translating and Interpreting Service (TIS National) on 131 450 and ask for the NBN Co Contact Centre. ■

[^] Services provided over the NBN will be replacing phone and internet services provided over many of the existing landline networks, including copper and the majority of HFC networks within the fixed line footprint. Services provided over existing fibre networks (including in-building, health and education networks) and some special and business services may not be affected. To find out if your services will be affected, please contact your current phone or internet provider. For more information, visit www.nbnco.com.au/switchoff or call 1800 687 626.

Videoconferencing Facilities

VIDEOCONFERENCING FACILITIES ARE

now available in the Library Function Room. The facilities connect to iPads, iPhones, laptops and other videoconferencing facilities and include a large LCD TV, speakers and a high quality camera.

The City is currently carrying out a free public trial of these new facilities until 28 May 2015. If you are part of a community group of at least three people and would like to take part in this free trial, please contact the City on 9474 0777. After this date, the videoconferencing service will continue to be offered as a free service, however regular booking fees associated with hiring out the Library Function Room will apply.

For more information, please visit the City of South Perth's website or contact the City on 9474 0777. ■

Volunteers Wanted

THE CITY IS also supplying iPads for the community to use at the South Perth and Manning Libraries and the South Perth and Manning Senior Citizens Centres.

Both senior citizens centres are looking for volunteers to assist in teaching their members how to use the iPads including searching for and downloading apps. If you are interested in volunteering, please contact:

South Perth Senior Citizens Centre
9367 9880

Manning Senior Citizens Centre
9450 6273

Both initiatives form part of the Department of Communication's Digital Local Government Programme aimed at using the National Broadband Network installation to improve the quality, availability and timeliness of local government services. ■

BorrowBox – eAudiobooks Made Easy

CAN'T MAKE IT TO THE LIBRARY?

Now you can download, borrow and enjoy eAudiobooks wherever you may be.

Simply visit library.southperth.wa.gov.au/eResources or install the free 'BorrowBox' app on your Apple iOS or Android device and start browsing through thousands of titles.

City of South Perth library members can borrow or reserve up to four eAudiobooks for two weeks, with the titles automatically expiring – meaning no need to return and no late fees! ■

Crowds of Thousands

Fiesta 2015 transformed the City into a bustle of culture, colour and activity, with over 25 events on offer from 7-21 March 2015, attracting approximately 62,000 people.

© Baxtoography

Over 12,000 people joined in to wrap up the City's Fiesta celebrations on Saturday 21 March, which featured a spectacular closing concert on the South Perth Foreshore, concluding with an impressive firework display (Above) sponsored by Pagoda Resort & Spa.

(Above) The Perth city skyline provided a striking back drop on a picture perfect evening for a stellar performance from iconic Australian band Thirsty Merc, belting out crowd favourites such as '20 Good Reasons', 'In The Summertime' and 'Someday Someday'.

Special guests The Jungle Giants (Right middle) and Montaigne (Right bottom) really impressed with both attracting huge crowds in front of the stage, singing and dancing along to their popular tunes.

Celebrate Fiesta 2015

The addition to the Fiesta line-up this year of artist Amanda Parer's unique outdoor installation, 'Intrude' (Right) lit up the City with five 7m-tall giant rabbits illuminated in white, nestling in to their new home along the South Perth Foreshore. The giant rabbits visually transformed the foreshore precinct and attracted approximately 14,000 people across the 7-day event.

Angelo Street Marketplace (Left) was once again the place to be with over 13,000 people checking out 105 market stalls plus musical performances, games and activities. Highlights of the day included Laneway Labyrinth, Angelo's Long Table,

Sidewalk Diamonds on Main Stage, Gobi on Children's Stage and the ever-popular Gopher Muster. The annual champion for the Gopher Muster being 96 year old Ashley Joyce, who can now claim being champion for the second year in a row.

Other highlights of the 15-day festival included South Perth Lounge, a temporary bar set up on South Perth Foreshore, Disc Golf, Waterford Plaza Street Festival, Deadly Funny and 'Maime' – an exhibition exploring the artistic and social development of author and illustrator, May Gibbs in her early years in South Perth.

South Perth StrEATS was a huge success with approximately 200 people visiting the food trucks each night, in some of the City's most scenic locations.

provided chairs and sand castle equipment shaded by umbrellas, which overlooked the Swan River towards Perth city.

Throughout Fiesta, weary visitors could pull up a lounge chair at Mends Street Beach, Coode Street Beach and under the Narrows Bridge. The 'Beach'd' event, presented by Pagoda Resort & Spa,

The City acknowledges and thanks the valued supporters and sponsors of the festival, Pagoda Resort & Spa, Ron Farris Real Estate, Liquor Barons on Angelo, Brierty, Della's Group, Southern Gazette, Transpacific Cleanaway and Lotterywest. ■

Clean Up Australia Day 2015

Water Refill Station Opens

TO CELEBRATE World Water Day 2015 on 22 March, Mayor Sue Doherty officially launched a water refill station (WRS) at Sir James Mitchell Park.

The City is excited to support the ProAcqua WRS which dispenses still and sparkling water at a fraction of the cost of bottled water, effectively reducing tonnes of plastic ending up in landfill.

Guests of the foreshore can purchase a ProAcqua 'smartcard' from the machine itself or at local retailers Funcats Catamaran Hire and The Boat Shed Café.

The WRS will charge smartcards 25cents for 500mL, 40cents for 1L and 50cents for 1.5L.

More details are available at www.proacquaaustralia.com.au ■

ON SUNDAY 1 MARCH, a group of dedicated volunteers from Mitsui & Co. (Australia) organised and participated in a Clean Up Australia Day event at Sir James Mitchell Park, South Perth. Staff had the opportunity to give back to the environment by helping to pick up rubbish throughout the park and its surrounds.

Every year a large amount of rubbish makes its way into the Swan and Canning Rivers. Events like Clean Up Australia day are one way people can help to reduce the amount

of rubbish that enters our rivers, harming precious wildlife and water sources.

If you would like to help to reduce the amount of rubbish entering our waterways, why not organise your own Clean Up Australia day event? These events can be run any time of the year, not just in March!

Visit the Clean Up Australia website for information on how to register your own event www.cleanup.org.au ■

Friends in the Community - Southcare Social Centre

DO YOU OR A FAMILY MEMBER receive any Home and Community Care (HACC) services? Are there days when an outing would help to make the week more interesting? If so, the Southcare Social Centre offers a wide variety of activities to keep you sociable outside of home.

Come and join in once or twice a week and meet new people at Southcare's small centre, where everyone will make you feel welcome. Choose from regular outings, speakers and special event days during which friendly staff and volunteers will ensure that you are comfortable and have an enjoyable day. Transport can be provided from your home in the Southcare bus, fitted with a wheelchair hoist and other facilities to support people with disabilities.

Recent popular outings have included visits to restaurants, art galleries, the beach, a trip to Araluen Botanic Park and an overnight trip to New Norcia. Special days are organised for particular groups with different interests. The Men's Group catches up on a Monday and the Young People with a Disability group meet on Saturdays.

An eBook entitled Life Stories at Southcare Inc was recently produced at the Social Centre. The eBook is a fascinating snapshot of the lives of four friends who currently attend the Day Centre. You can view it online at www.southcare.org.au

For more information or to make arrangements to attend, contact Southcare on 9450 6233. ■

Teddy Bears' Picnic at Perth Zoo

PERTH'S RESIDENT SUN BEARS

Bopha and Jamran were the two biggest stars of Perth Zoo's Teddy Bears' Picnic held on 29 March.

More than 6300 people turned out with their teddy bears to enjoy activities including face-painting, bouncy castles, rides and fun at the Zoo.

Each year, the Zoo's fun-filled family day aims to highlight the plight of bears around the world. The day also celebrates the vital work of Perth Zoo's conservation partner Free the Bears, who champion the rescue and rehabilitation of bears caught up in the

restaurant and illegal wildlife trade. Perth Zoo's own Sun Bears, Jamran and Bopha, were both rescued by Free the Bears.

This year's Teddy Bears' Picnic was one of the biggest ever at Perth Zoo and raised over \$3000 in donations. At the event, the Zoo presented an additional cheque for \$33,000 to Free the Bears founder, Mary Hutton. This funding will help Free the Bears build accommodation for the influx of young bears who have recently been rescued in Cambodia.

To find out more about how you can help save wildlife visit Perth Zoo's website. ■

Million Paws Walk 2015 Walk to fight animal cruelty on Sunday 17 May at Sir James Mitchell Park

JOIN THOUSANDS of other animal lovers for RSPCA Million Paws Walk 2015, Perth's biggest day out for dogs.

Take a 1.5km, 2km or 5km walk along the picturesque Swan River with your dog, family and friends.

There will be plenty to see and do before and after the walk with entertainment, food and drinks, demonstrations and exhibitions, as well as a huge range of pet products and accessories.

As well as being a fun day out, Million Paws is RSPCA WA's biggest fundraising event of the year, raising much-needed money to help continue fighting animal cruelty.

96% of the RSPCA WA's operating cost is covered by community and corporate support, only 4% from government.

Register online and start fundraising now at www.millionpawswalk.com.au ■

Neighbour

In Brief

Goodbye Graffiti

Use your smart phone to help remove graffiti that you notice in the community. Report graffiti at www.goodbyegraffiti.wa.gov.au.

Engravers free to loan

Mark your valuables with a unique identification code to assist in the recovery of your property in the event it gets lost or stolen.

Streets Alive

A community-building program that encourages neighbours to get together on their street. Great incentives and support is available. Contact the City to find out more.

Suspicious behaviour

Always remember that you can report suspicious behaviour anywhere at any time by phoning Crime stoppers 1800 333 000, Kensington Police 9474 7555, or follow the Kensington Police Team on Twitter @KensingtonPol ■

Home Security Checklist

USE THE FOLLOWING GUIDE

to conduct your own Home Security Check. The more 'yes' boxes you can tick, the more difficult you make it for burglars:

- Do you have security screens on doors and windows?
 - Does your door have a peephole?
 - Do your windows have key-locks or security devices?
 - Does your house have an automatic light timer or sensor lights?
 - Are the entrances to your home well-lit?
 - Is your home fitted with an alarm?
 - Are there fences and gates on your property to restrict access?
 - Is the garage or shed kept locked?
 - Are your tools and ladders stored away?
 - Is the meter box locked?
 - Are your contents and valuables engraved or marked for easy identification?
 - Have you recorded the serial numbers?
 - Do you have window stickers letting burglars know you have an alarm and your property is marked?
 - Is there a phone or mobile in the bedroom with emergency numbers handy?
 - Do you have a dog?
 - Is your house number clearly visible from the street?
 - Have you joined Neighbourhood Watch? ■
- Are your trees and shrubs trimmed to be hard for burglars to hide behind?
 - Do you have solid core doors?
 - Do you have locks and deadbolts or deadlocks fitted?

Neighbourhood Watch Volunteers

KEEP ABREAST of activities in your suburb by getting to know your local Neighbourhood Watch volunteers.

Currently there are vacancies for active volunteers in the areas of South Perth East, Manning and Waterford. If you live

in these areas you can contact active volunteers living in:

South Perth-West

Julia Cheong: 0418 952 795

Como and Karawara

Diane Cheong: 0408 950 825

Raheel Kidwai: 0411 724 335

Neighbourhood Watch

What Did You Leave in the Car?

ACCORDING TO Kensington Police, burglary from motor vehicles is the most common crime in local areas. Never leave your mobile phone, tablet, cash or laptop unattended in your car, even for a minute. Don't think hiding them is sufficient, as thieves know all the hiding spots to check.

Unattended shopping trolleys are another easy target for thieves. Please don't leave your wallet or handbag in the trolley, rather carry it on you at all times. ■

Local Police Teams

The Kensington Police station is here to assist you. To contact your local police team please call:

Como, Kensington and South Perth: 0417 532 050

Manning, Salter Point, Waterford and Karawara: 0417 531 405

PayPass and PayWave – Convenience at a Cost

CONTACTLESS TRANSACTIONS

are easy and popular with retailers, but this new technology has brought about a surge in credit card thefts from letterboxes, as well as handbag thefts. PayPass and PayWave cards are the equivalent of large wads of cash to would-be thieves. Once they gain possession of a card, thieves can go on shopping sprees, going from store to store, making transaction after transaction of up to \$100 at a time.

Contact your bank or financial institution if you do not want the PayPass or PayWave feature on your credit card. Always keep your cards and cash somewhere safe and inform your bank immediately if lost or stolen. ■

ewatch

ewatch
connect for a safer community

ewatch is an easy way to find out what's happening in your community. Connecting with your local police and the City of South Perth helps make your neighbourhood a safer and more vibrant place to live!

The ewatch program provides regular e-newsletter updates on local crime trends and statistics, safety initiatives, emerging issues and community building events.

Simply go to www.ewatch.com.au and follow the prompts. ■
