# Message From Your Council

## WELCOME TO THE SUMMER ISSUE OF PENINSULA – OUR LAST EDITION FOR 2015.

### Election of New Council

Following the local government elections in October, three newly elected members, Jessica Black representing Como Ward, Ken Manolas representing Mill Point Ward and Travis Burrows representing Moresby Ward were welcomed to Council.

Thank you to those who live or operate businesses in the City and took the opportunity to vote in the 2015 local government election. We are fortunate to live in a democracy where people have the opportunity to vote and have their say in who they want to represent them at this decision-making level of government – the level of government closest to the people.

I am indeed humbled to know the people in our City have re-elected me as Mayor for another term and I look forward to ensuring our community develops and responds to the ever-changing needs within South Perth, whilst at the same time holding on to what is special in the place we live, work and recreate in.

### 2015 Emerging Artist Award presented by Brierty

Congratulations to Taylor Denning, this year's winner of the City's Emerging Artist Acquisitive Award for her work, *Self Portrait Dyptich*.

The 2015 Emerging Artist Award presented by Brierty is well established and has a sound reputation in both promoting and providing opportunities for upcoming artists and art students. This year our judges deliberated over 158 entries, an increase from the 140 entries last year.

Due to the extremely high standard in submissions, the judging process delivered 91 quality artworks for the City to proudly showcase. The award goes from strength to strength, which is encouraging for the growing arts scene in our community. View this year's category winners on page 6.

### Urban Walkabout

The City has partnered with publisher Urban Walkabout to release the second South Perth Urban Walkabout Guide covering local shopping, dining and tourism attractions in our three urban villages.

The second edition of the South Perth Urban Walkabout Guide follows on from a successful and sought-after first edition.

For more information on the guide and where to find your copy, see page 7.

On behalf of my fellow Councillors and the staff I wish you all a very Merry Christmas and a prosperous start to 2016. ■

*Sue Doherty*

# Newly Elected Council Sworn In

**THE CITY OF SOUTH PERTH'S** newly elected Council was sworn in at a Special Council meeting held on Monday 19 October 2015.

Former Governor of Western Australia and resident of South Perth, Dr Ken Michael swore in the Mayor and four Councillors, representing the City's four wards at the special presentation.

Mayor Sue Doherty was re-elected as Mayor of the City of South Perth for a term of four years.

Three newly elected members took their place on Council:

**Como Ward – Jessica Black**  
**Mill Point Ward – Ken Manolas**  
**Moresby Ward – Travis Burrows.**

Councillor Colin Cala was elected unopposed to the seat of Manning.

Councillor Glenn Cridland of Como Ward was unanimously reappointed to the position of Deputy Mayor.

Mayor Doherty acknowledged the contributions of outgoing Councillors Michael Huston, Veronica Lawrance and Kevin Trent and acknowledged those who nominated in the local government elections and who on this occasion were not successful. ■

Jessica Black being sworn in at the 19 October Special Council meeting

## Works in Your Neighbourhood November and December

### Roadworks and Pavement Rehabilitation

Works include some or all of the following: resurfacing with stone mastic asphalt, replacement of street kerbing on same alignment, replacement / installation of stormwater drainage structures and replacement signage and road markings.

- Marsh Ave – Griffin Cres to Parsons Ave
- Griffin Cres – Marsh Ave to Welwyn Ave

### Paths

- Swanview Tce (slab replacement)
- Blamey Pl (slab replacement)

### Drainage Works

- York St, Forrest St, Edinburgh St, Rose Ave – localised drainage upgrades

### Traffic Management

- Manning Rd / Ley St Intersection – signal upgrade and minor civil works

### Foreshore Restoration

- Revetment and river wall upgrade between the Narrows Bridge and jet ski ramp. ■

- Thursday 24 December 2015 10am – 3pm
- Closed Friday 25 December 2015 to Monday 4 January 2016
- Normal hours resume from Tuesday 5 January 2016

# From Your Libraries

## Sustainable Living Kits

The average Australian household uses approximately \$1,690 worth of electricity per year.

Learn how to slash your household bills and do your bit for the environment using the City's Home Sustainability Audit Kit, available for loan at our libraries to help switch your thinking.

Each kit includes an infrared thermometer; refrigerator thermometer; energy cost meter; 'Bag it' DVD; flow cup; compass; 'Your Home' and 'The Zero-Waste Lifestyle' books.

## Book Stops

BookCrossing is the act of giving a book a unique identity, so it can be tracked and connect its readers. There are currently 1,467,448 BookCrossers and 11,062,201 books travelling throughout 132 countries.

With books registered online using BookCrossing.com, the City's Book Stops (mini libraries) have proven to be a great success. We are now seeking expressions of interest from businesses and organisations within the City who would like to host a Book Stop at their address. For more information, contact South Perth Library on 9474 0800 or Manning Library on 9474 0822.

## Events

### Storytime Christmas Party

Come along to children's story time with the amazing Glenn Swift, yummy party food and a very special secret guest – Ho! Ho! Ho!

**When:** 10.30am, Wednesday 2 December

**Where:** South Perth Community Hall, Cnr Sandgate St & South Tce, South Perth

**Cost:** Free

With spaces filling fast, bookings are essential. Visit [library.southperth.wa.gov.au](http://library.southperth.wa.gov.au) to secure your place.

### Summer Reading Challenge

Coming soon! Continue to visit the City's website for updates.

## WACE Study Space

In support of Year 12 students and their upcoming exams, a dedicated study space has been set aside for the whole month of November. WiFi, tea and coffee are provided free of charge and students can gather around large tables to work in groups.

This space will be reserved in the Library Function room at South Perth Library. ■

# Awarded Top Job

**IN SEPTEMBER 2015**, the City's Ranger Services Coordinator, Dene Lawrence was appointed President of the WA Rangers Association. Dene has been involved in the WA Rangers Association since 2007, having served as Vice President from 2009. Congratulations Dene! ■

## Get to kNow Asbestos This November

The City has partnered with the Asbestos Education Committee to participate in the 2015 National Asbestos Awareness Month Campaign – 'Get to kNow Asbestos this NOvember'.

In the lead-up to Asbestos Awareness Day on Friday 27 November; homeowners, renovators, trades people and handymen are encouraged to visit [asbestosawareness.com.au](http://asbestosawareness.com.au) to learn how to protect themselves and families from exposure to dangerous asbestos fibres.

There is no known safe level of exposure to asbestos fibres so it's very important to safely manage asbestos-containing materials that can be found in and around homes.

For information on safe handling of asbestos products, and asbestos in the home, visit the City's website or contact the City's Environmental Health Services on 9474 0777. ■

# Christmas Drive for Southcare

**IN THE LEAD** up to Christmas, we all look forward to a break and time with loved ones to enjoy gifts and celebrations. However, the Christmas spirit also extends to helping others and remembering those less fortunate.

The City of South Perth will again offer support to those in hardship through its annual food and gift drive for charity this festive season.

Last year, a car load full of goodies including stocking fillers, gifts, Christmas food, decorations and crackers were delivered to Southcare in the lead up to Christmas. Thanks to the generosity of those who

donated, families in need were able to enjoy some Christmas cheer.

If you wish to donate this year, please drop off any non-perishable food items or suitable gifts at one of four collection points; Civic Centre Reception, Operations Centre Reception, South Perth Library and Manning Library. Items will need to be delivered to the donation points by Friday 4 December 2015.

All donations will be delivered to Southcare, a not for profit organisation based in Manning providing services that support the well-being of people in need in the local community. ■

# Give the Gift of Reading

**CHRISTMAS** is a time of giving and sharing, a time when we give thanks for living in our fortunate country. Sadly, this holiday season, some children in our community are unlikely to receive a Christmas present.

South Perth libraries would like to remedy this through the City's annual Give the Gift of Reading program, delivering books to the Smith Family's Toy & Book Appeal.

Giving is simple – place your new, unwrapped book under the Wishing Tree at Manning or South Perth Library **before 2 December**, attaching a tag with the appropriate age range and gender for the book.

Good-quality used books will be accepted until the beginning of the New Year, when they will be sent to needy children in remote areas of the state.

This annual event has proven hugely successful in previous years and we thank the community in advance for your generous donations. ■

# 2015 Emerging Artist Award

presented by Brierty

2015 City of South Perth Emerging Artist Award Acquisitive Award winner Taylor Denning with her work *Self Portrait Dyptich*

**THE CITY OF SOUTH PERTH'S** 2015 Emerging Artist Award presented by Brierty once again exhibited a large number of quality entries, with 91 artworks on display to the public from 23 October to 31 October 2015.

The winners of the Award were announced at the exhibition launch and awards presentation on 22 October at the South Perth Community Hall.

The overall winner of the 2015 City of South Perth Emerging Artist Acquisitive Award, worth \$4,000, was Taylor Denning, for the work, *Self Portrait Dyptich*.

The judging panel, comprised of distinguished artists and arts professionals Jana Braddock, Lesley Meaney and Mark Parfitt, commented:

*"Self Portrait Dyptich is a sensitive autobiographical work that draws on the sophisticated and complex language of materials. The work elicits a sense of shared intimacy via tactility, scale and empathy."*

*Self Portrait Dyptich* will be added to the City of South Perth art collection.

Other award category winners were each presented with a \$500 prize by the category sponsors:

**Liquor Barons on Angelo Local Theme Award**  
Ellen Norish - *Letters from Steve*

**John McGrath MLA Young Artist Award**  
Lydia Tretheway - *Passing the Invisible*

**Como IGA Secondary School Student Award**  
Gerard Standing - *Lukey*

**White Frame Local Artist Award**  
Liam Dee - *Ibis Catcher*

**Brierty Aboriginal Artist Award**  
Kaye White - *Lightning Flashes*

**Soco Realty People's Choice Award**  
This was presented to the work that received the greatest number of votes from exhibition visitors over the exhibition period. Check the City's website for the winner.

"Through the Award, the City encourages upcoming generations of artists and talented arts students to progress and exhibit their work and, by extension, support the local visual arts community," said Mayor Sue Doherty.

The City would like to congratulate all winners and acknowledge the 2015 Emerging Artist Award presenting sponsor Brierty, premium sponsor White Frame and prize sponsors Liquor Barons on Angelo, John McGrath MLA, Como IGA, Soco Realty, White Frame and Brierty for their support. ■

# A Story to Tell

**THE CITY'S** arts and cultural events come together in this new-look programme to celebrate the stories of our City. Spanning from the start of summer into the warmth of autumn, enjoy a collection of curated activities occurring at various beloved venues throughout the City.

A Story to Tell is filled with a plethora of arts experiences, such as the ephemeral beacons of Tom Muller's work *Ascending Signals* (2016) and the new permanent bronze figures of Amanda Shelsher's feathers. As always, gourmet experiences will feature heavily across the City with the return of the food trucks to multiple sites and a unique long table dining experience occurring in early January 2016.

The programme also features the beloved Find Me activations, colouring our various spaces with activities to stumble

upon. Live theatre and live music will be heard throughout the summer, at both indoor and outdoor spaces, with Morning Melodies introducing a Kids Edition to this recurring series.

The programme features the City's two most iconic events, the Australia Day Celebration Zone and Fiesta. The Celebration Zone promises to offer even more activities with over 90 family friendly activities. The Fiesta Concert and Angelo Street Marketplace make a return to the beloved annual March festival, Fiesta.

Check the City's website regularly for added events and enjoy a collection of experiences brought to you by your City. ■

## Urban Walkabout

**THE CITY OF SOUTH PERTH** has partnered with niche publisher Urban Walkabout to release the second South Perth Urban Walkabout Guide covering local shopping, dining and tourism attractions in the area.

Featuring a cover illustration by local Perth artist, Ana Castro, the **South Perth Urban Walkabout Guide** highlights boutique businesses in the vibrant tourist destinations of Mends, Preston and Angelo Streets and surrounds. The Guide is key to the City's commitment to facilitate economic growth and investment and build more sustainable, liveable and prosperous local communities.

The second edition of the South Perth Urban Walkabout Guide follows on from a successful and sought-after first edition. Local businesses featured in the Guide were invited by the City to celebrate the launch of the Guide at a function at HopScotch Bar on Angelo Street in November.

Since its inception in Sydney in 2005, Urban Walkabout guides have become a favourite of discerning travellers. With an attractive illustrated map, focus on innovative small business and convenient pocket size, the guides are available for more than 20 urban destinations in Sydney, Melbourne and Perth. ■

## Know Your Suburb

**KENSINGTON** was named after the Royal Borough of Kensington, an inner London borough housing many famous landmarks such as Kensington Palace and Royal Albert Hall. The northern section of Kensington was subdivided in 1898 and sold as part of South Perth under the names of South Perth Estate, Grand View Estate and City View Estate. Blocks

with city views sold for around £5 (\$10) each in June 1900. The southern section of Kensington was developed after World War II. The first homes in the area were built in 1948 and by December 1953 over 5,000 people called Kensington home. ■

## Garage Sale Trail

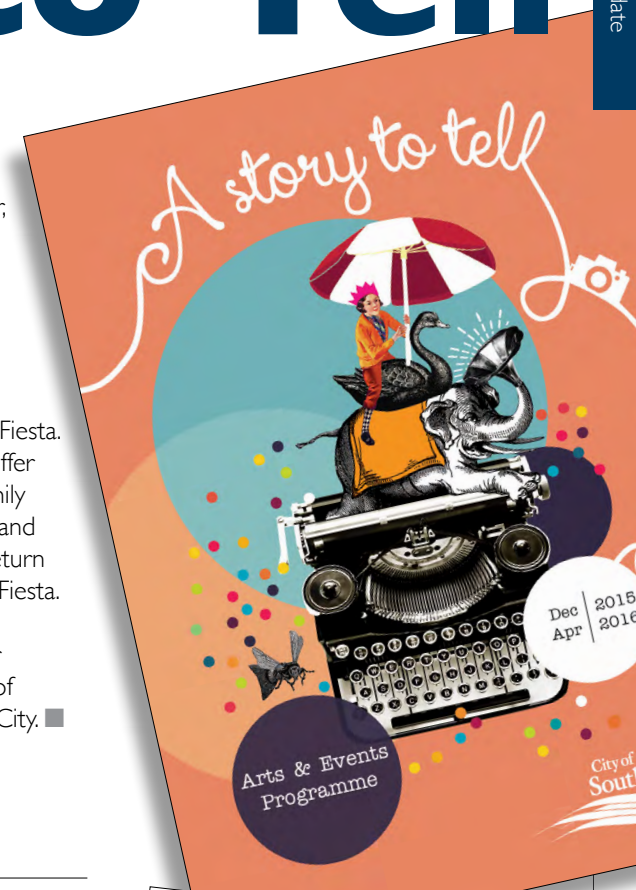

**HOUSEHOLDS, SCHOOLS** and community groups in the City joined hundreds of thousands of people across the country on Saturday 24 October as a part of the fifth annual Garage Sale Trail.

There were over 25 registered sales in the City, selling and swapping everything from lampshades, designer clothing, jams and

chutneys, to DVDs, African ornaments and local artist works – just to name a few.

2015 was the first year the City of South Perth has been involved in the national initiative and certainly won't be the last! ■

Connect with your City online

Pick up a copy of the new South Perth Urban Walkabout Guide at City centres, participating local businesses, hotels, or visitor centres.

# Ernest Johnson Reserve Master Plan

## THE CITY OF SOUTH PERTH

has been successful in securing funding of \$632,000 from the Department of Sport and Recreation. This money will contribute to building Stage One of the Ernest Johnson Reserve Master Plan – new pavilion construction.

The Master Plan aims to accommodate the needs of relevant sporting clubs, community groups, and produce a contemporary, functional and sustainable multi-purpose facility.

The City, in conjunction with project managers, NS Projects and architects Bollig Design Group, has engaged with stakeholders of Ernest Johnson Reserve to finalise the design for the new facilities.

The final draft design is now complete and a development application will be submitted to the City for consideration in November 2015.

The Master Plan proposes work over four stages, with the first three approved by Council to be implemented. These works includes construction of two new pavilion buildings and a car park to replace the existing buildings currently being used by the Girl Guides, South Perth Playgroup and various sporting clubs. In addition, the new facilities will accommodate users of the Rotary Club Hall on Sandgate St and the RSL Hall on Angelo St.

Other works includes upgrades to the active reserves of Ernest Johnson Reserve

such as new irrigation, relocation of the existing senior turf cricket wicket and cricket practice wickets, throwing circles and a long jump pit for the junior athletics club, the installation of new synthetic cricket pitches, as well as a large playground and social area.

Construction work on Stages One, Two and Three are currently scheduled to commence in August 2016 with anticipated completion in August 2018.

To view the design plans, key dates and more information about the project, please visit the Major Projects page on the City's website. ■

## Water Treatment Wetland For Doneraile Reserve

**DONERAILE LAKE**, a stormwater detention basin within Doneraile Reserve has been converted into a living stormwater treatment wetland.

Construction activities involved the temporary dewatering of the waterbody (lake) to allow for the following activities to occur:

- Reshaping and regrading of the waterbody (within the confines of the existing edge) to create different treatment zones
- Installation of a below ground gross pollutant trap to eliminate debris and rubbish from entering the wetland

- Installation of erosion controls to stabilise the wetland until plants are established
- Weed control, and the strategic planting of the wetland, with indigenous plant species specially selected for their nutrient removing properties.

A public information sign has been installed to explain the process in which the wetland operates, to maximise water treatment, while at the same time enhancing the amenity of Doneraile Reserve. ■

Connect with your City online

# Green Thumbs Up For Manning Community Hub

**THE GROUND WORKS** for the new Manning Community Hub are now well-underway and the facility is set to be a vibrant gathering point. It has been designed for the local landscape and will provide public and community space and facilities, an underground carparking area for 80 cars and sustainable design elements.

Pivotal in the design is the new pedestrian street, which will connect the buildings and link to the James Miller Reserve and the Welwyn St shops.

Central to the development is the new Manning Library - a social and learning hub for the broader community. With north facing windows, an external reading room and an entrance from the central pedestrian street, the library is the crux of the development and will provide a welcoming space for a variety of community activities. Overlooking the oval, Conochie St and the new pedestrian street, the library will also provide vistas, natural light as well as passive surveillance and security for the area.

At the core of the Manning Library building design are its green credentials for both passive and active sustainability systems including:

- Large community functional areas designed to disperse northern light in winter and automatic opening highlight windows to allow for natural ventilation when conditions permit
- Thermally dynamic low e-glazing window treatments in combination with sun shading to reduce heat gain in summer and heat loss in winter

- 30kw solar panels to provide offset power, reducing power usage
- Solar boosted hot water to further minimise energy demands

- Low energy LED lights connected to light dimming and movement sensors will allow for reduction in artificial lighting demands when sufficient daylight is available
- Low maintenance materials to minimise the City's ongoing maintenance demands.

Overall the Manning Community Hub will be a community centre creating a new village 'heart', combining shopping, sport, health, education, socialisation and community needs.

Located at the new Manning Community Hub will be the Manning Library, Manning Hall, Moorditj Keila Aboriginal Group, Manning Child Health Clinic, an Early Learning Centre and the Manning Rippers Football Clubrooms. These facilities will be 'linked' to the Welwyn Shops and James Millers Oval creating further access for the community from all directions in Manning.

To read more about the Manning Community Hub, please visit the Major Projects section on the City's website. ■

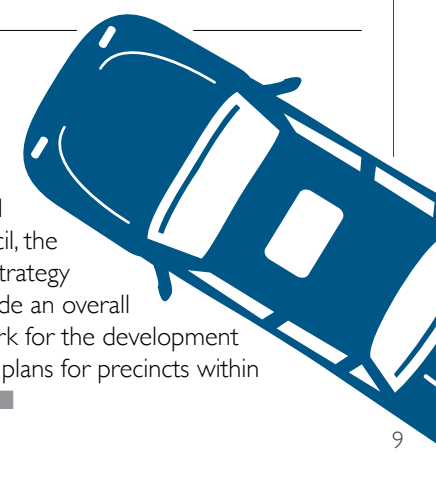

## Parking Strategy Update

### THE CITY COMMISSIONED

Luxmoore Parking Consultants to develop a City-wide Parking Strategy to provide a long-term plan for the provision and management of parking within the City. Main Roads, the Department of Transport, the community, businesses and other stakeholders have been engaged to provide feedback to inform the draft strategy.

The draft strategy is currently being reviewed by City staff and is then scheduled to go to the December Council Meeting for consideration. A copy of the draft strategy and a summary of the community feedback received will be available on the City's website prior to the Council meeting.

Once endorsed by Council, the Parking Strategy will provide an overall framework for the development of action plans for precincts within the City. ■

# Neighbourhood Watch

## A message from local police

### In Brief

#### Goodbye Graffiti

Use your smart phone to help remove graffiti that you notice in the community. Report graffiti at [www.goodbyegraffiti.wa.gov.au](http://www.goodbyegraffiti.wa.gov.au).

#### Engravers free to loan

Mark your valuables with a unique identification code to assist the recovery of your property in the event it gets lost or stolen.

Engravers are available from the City of South Perth Libraries – you just need a valid library card.

#### Streets Alive

A community building program that encourages neighbours to get together on their street. Great incentives and support is available.

Further information can be found on the City's website [www.southperth.wa.gov.au/Services/Streets-Alive](http://www.southperth.wa.gov.au/Services/Streets-Alive) or contact the City on 9474 0777 or [enquiries@southperth.wa.gov.au](mailto:enquiries@southperth.wa.gov.au) ■

#### Summer Safety

Police would like the community to adopt a 'back to basics' approach to ward off burglaries, and are urging residents to secure their property and get to know their neighbours.

As the weather warms up, police have issued a fresh plea to residents to use common sense to help reduce opportunistic burglaries. Statistically, many burglaries are still occurring via unlocked doors and windows.

It can take less than two minutes to break into a home and less than 60 seconds to break into a car. The average burglary is over within 10 minutes, with thieves focusing on easy to grab items, such as purses, wallets, handbags, mobile phones and laptops.

#### Air Conditioner Safety

In recent years, several houses have been damaged or destroyed after embers from fires up to one kilometre away have entered air conditioning ducts and motors.

Although it may be tempting to leave your air conditioner running so you can return to a cool home, you can reduce the risk of a fire starting by ensuring that you do not leave air conditioning on when you are not at home. Be informed and aware. For more information visit the Department of Fire and Emergency Services website [www.fesa.wa.gov.au](http://www.fesa.wa.gov.au). ■

 **@KensingtonPol**

### Summer Safety Tips

1. Keep doors and windows locked at all times, even when at home, including sheds and garages.
2. Keep valuable items such as laptops, mobile phone, and mp3 players out of sight.
3. Install a security alarm with visible external light and always turn it on.
4. Do not leave spare keys hidden outside, leave it with a friend, neighbour or relative.
5. Arrange for mail to be held by Australia Post or collected daily by someone while you are away.
6. Install motion sensor lights to the exterior of your property.
7. Keep trees and shrubs trimmed to reduce the opportunity for burglars to hide and increase visibility from the street.
8. Engrave or mark your property with your driver's licence number for easy identification.
9. Be careful of stating your whereabouts on social media.
10. Destroy boxes from newly bought appliances such as TVs and DVD players so they are not on display for burglars to see.

## What's happening near you?

### Do you know of any community safety initiatives in your street or neighbourhood?

Share your story with the City, so we can share it with the community.

For more information about community safety please call 9474 0777 or visit [www.southperth.wa.gov.au](http://www.southperth.wa.gov.au) or [nhw.wa.gov.au](http://nhw.wa.gov.au)

## Local Police Teams

The Kensington Police station is here to assist you. To contact your local police team please call:

**Como, Kensington and South Perth: 0417 532 050**

**Manning, Salter Point, Waterford and Karawara: 0417 531 405**

## ewatch

**ewatch is an easy way to find out what's happening in your community. Connecting with your local police and the City of South Perth helps make your neighbourhood a safer and more vibrant place to live!**

The ewatch program provides regular e-newsletter updates on local crime trends and statistics, safety initiatives, emerging issues and community building events.

Simply go to [www.ewatch.com.au](http://www.ewatch.com.au) and follow the prompts. ■
