# Message From Your Council

Welcome to the May edition of *Peninsula*.

### Fiesta 2016

Our ever popular annual event, Fiesta, is over for another year and it's been a great success.

I hope you got to enjoy some of the fun activities on offer around the City. Over a fortnight there was music, markets, fashion and food, plus the *Ascending Signals* artwork installation on the foreshore, which was a visual delight with its changing colours. Fiesta managed to incorporate a huge number of different things to see and do, bringing our community together reflecting the diversity which makes South Perth the special place it is.

### Building and developments

Developments are often a hot topic of discussion. For the most up to date information see the 'News' section of our website, or connect to what's happening in the City online with social media or sign up for our e-newsletter.

### RSPCA Million Paws Walk

Sunday 15 May the Million Paws Walk celebrates its 20th anniversary. For canine lovers, remember to bring your dog down to Sir James Mitchell Park at the end of Coode Street for this fun day out.

### Congratulations Hensman Street Kindy

Community based Hensman Street Kindy has achieved accreditation as a 'Little Scientists' House'. The program, highlighted by the Organisation for Economic Co-operation and Development (OECD) in their report *Innovative Teaching for Effective Learning*, has been designed to facilitate children's curiosity for science, technology, engineering and mathematics (STEM). Fun, playful and age appropriate experiments provide learning opportunities that stimulate an interest in science and maths.

A 'big bang' experiment launched the celebration of the accreditation achievement – which I understand then followed activities that were a bit messy, yet enjoyed by all. ■

# Mends Street Promenade on South Perth Foreshore Officially Opens

### THE MENDES STREET PROMENADE

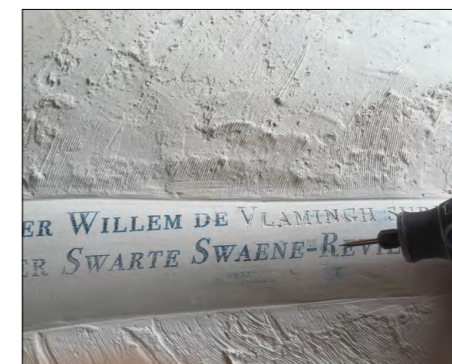

on the South Perth foreshore was officially opened on 21 April 2016 by Hon Albert Jacob MLA, Minister for Environment; Heritage.

The first stage of the Promenade project was completed last year. This included extensive river wall works, with a new contemporary flat topped seat wall, curved to the river side to relieve foreshore erosion and predicted sea level rise.

New seating and lighting has been installed, and the surrounding turf replaced. The area is now even more attractive and welcoming for those visiting the City's beautiful riverside parks and beaches. The path, widened to over five metres, provides ample space for groups of people to walk along the foreshore.

Another recent addition to the area is *Resonance*, a permanent piece of public art installed in early April.

The three swan feathers, measuring up to 1.9m high, was created by Western Australian artist Amanda Shelsler. The sculpture symbolises the abundant bird life of South Perth waters and echoes the spirits of people past, present and future.

Standing tall in bronze, their central spines reveal anecdotes and memories of our local Nyungar families and the first recollections of early explorers de Vlamingh and James Stirling. Whispering from the nineteen forties, the feathers speak of a

time where the land was used by the grazing dairy cattle and the resourceful migrant Chinese market gardeners who once supplied the local community with the fruit of their crops.

The Promenade project is part of the Node 1 – Mends Street Piazza and Promenade in the South Perth Foreshore (SPF) Strategy and Management Plan, which prioritises ten foreshore Nodes and lists strategies for the future of this precious foreshore reserve.

With the Mends Street Promenade complete and officially opened, planning for the Piazza at Mends Street jetty continues. This important node acts as a major arrival point for many visitors to South Perth, and a gateway to Perth's new Elizabeth Quay on the north side of the river.

View the Major Projects section on the City's website to find out more about the South Perth Foreshore projects. ■

## Meet the Mayor

**ON THE SECOND** Friday of each month, the Mayor makes time to meet with residents of the City, accompanied by Kensington Police Station Officer in Charge, Senior Sergeant Ashley Goy.

The monthly event is all about connecting with our community and listening to them. Often residents will pull up a chair just to chat about their experiences living in South Perth and the history of the area.

Meet the Mayor is a great opportunity for the community to get to know their Council.

**When:** Every second Friday of the month, 10am-12pm

**Where:** Outside South Perth Library, Cnr Sandgate St and South Tce, South Perth ■

## Your Say South Perth to Engage Community on City Projects

**THE CITY OF SOUTH PERTH'S** new online engagement portal Your Say South Perth was introduced in December 2015 and has since received over 4,800 visits.

Your Say South Perth is now part of the City's stakeholder engagement process and will provide more opportunities for community members and other stakeholders to share their thoughts, feelings and views on City projects and activities.

The portal is developed by community engagement specialists, Bang the Table and has a range of different tools that will help the City gain feedback, plus assist in decision making, communication and ensure a two-way process for information exchange.

To find out more and to view current projects out for comment, visit [yoursay.southperth.wa.gov.au](http://yoursay.southperth.wa.gov.au). ■

# Brand New Playgroup Facility at Manning Community Hub

## Time Lapse Video of Manning Community Hub

Visit the City's website or YouTube channel @City of South Perth to view the latest time lapse videos showing the progression of the new Manning Community Hub. ■

**THE MANNING COMMUNITY HUB** is due for completion this year and the City of South Perth is looking for interested local community members to work with us to form a Manning Playgroup Association, which will be housed in the new early years building.

This purpose built facility will also be home to the well-established Manning Toy Library and has been designed to cater to children 0-4 years.

Manning Community Hub will be a one-stop-shop for locals, with the Manning Library, Manning Child Health Clinic, Moorditj Keila Aboriginal Group and

Manning Community Hall. It will eventually link through to the Welwyn Avenue shopping precinct.

The City is excited about this new opportunity to provide activities for local families and is keen to hear from motivated and enthusiastic people who want to be part of the 'new heart of Manning'.

The City will work with and assist the group to setup and establish as a not-for-profit association and provide support and guidance. Please register your interest by 30 May 2016 by contacting the City on 9474 0777 or [enquiries@southperth.wa.gov.au](mailto:enquiries@southperth.wa.gov.au). ■

# Why Road Works Are Important For Keeping Your City Safe

**IF YOU HAVE NOTICED** road work signs and bright orange traffic cones around the City, it just means that the infrastructure team has been very busy with the upcoming road rehabilitation works, scheduled throughout this year.

**Did you know the City has 1.45million square metres of paving and around 40,000 square metres is re-surfaced each year?**

**Why undertake road works and pavement rehabilitation?**  
Road works support the maintenance of the City's road infrastructure. This ensures greater access for road users and improved safety, economic and social outcomes. Road works are undertaken to build new roads, maintain existing roads and complete emergency repairs.

**Why are particular roads selected for rehabilitation?**  
Road conditions are rated against a range of criteria to determine the need and timing of preventative or remedial action to prevent loss of service. Typically, the rating would address the structure, surface cracking, ride-ability, predicted increases in traffic and age.

The timing and programming of rehabilitation works is critical.

Leaving a road for too long before carrying out preventative repairs or upgrades will cost extra in the long-term. This is why you may see a road being rehabilitated even though it appears to be in good condition.

**Who funds these works?**  
The City allocates a portion of its annual expenditure each year to the improvement and preservation of its road network and also accesses state and federal government funding.

**Road network capital expenditure 2015-2016**

- City of South Perth contribution \$1,774,560
- State and federal funding \$943,000

**How are road works coordinated by the City?**  
A lot of effort is put into coordinating the road works to minimise disruptions to residents, motorists and pedestrians. For example, road works located near residential areas are carried out mostly in the day, and road works near schools and busy roads are scheduled for non-peak hours.

For more information on road works in your local area, visit the City's website or phone 9474 0777. ■

## Road works and pavement rehabilitation (April-June 2016)

- South Terrace – from Coode Street to Murray Street
- King Edward Street – from Angelo Street to Hopetoun Street
- Talbot Avenue – from Henley Street to Cale Street

## Works include:

- resurfacing with stone mastic asphalt
- replacement of street kerbing on same alignment
- replacement / installation of stormwater drainage structures
- replacement of signage and road markings

# Canning Highway #ShapeOurPlace Report Recommendations Adopted

**THE FINAL REPORT** and recommendations from the Canning Highway #ShapeOurPlace project was adopted at the March Council meeting.

The report presents the results of a study into the residential density and built form of properties within approximately 100 metres of Canning Highway, including community consultation undertaken during 2015.

While Council endorsement of the study does not necessarily mean that all the

recommendations will be implemented, it does mean the City will progress with individual components of the larger #ShapeOurPlace study.

The Canning Highway #ShapeOurPlace project endorsement is the first step in a longer term project for the area and there will be many more opportunities for consultation in the near future.

Kensington and South Perth will be the first priorities for further planning in the

Canning Highway precinct. A character study of Kensington will be undertaken to provide a comprehensive review of the existing building stock and inform future development. This will be progressed in the coming months.

To view a copy of the final report and recommendations, visit the Major Projects section on the City's website or phone 9474 0777 for more information. ■

# A Celebration of Your City at Fiesta 2016

Tom Müller's Ascending Signals (2016)

Fiesta concert featuring Nathaniel

Fiesta 2016 culminated on Sunday 20 March with the biggest and best Angelo Street Marketplace yet, attracting more than 14,000 people, with live radio coverage from Mix 94.5 throughout the day. Over 120 stalls offering fashion, homewares, beauty, art, crafts and gourmet street foods were there, providing something for everybody.

Highlights included; a fashion show from Stylespiration, a collection of vintage cars on the Wesley College Oval, the kids Petit Party with the Freedom Fairies, a cocktail lab by Cocktail Gastronomy plus the many artists, stall holders, buskers, performers and food vendors who made the day extra special!

The Artwalk presented by Brierty was a new addition to the festival and included nine showcased artworks such as a live mural painting commissioned by Hopsctotch bar; a lifelike excavator suspended in a tree by artist Paul Caporn and a kids lego workshop by artist Lewis Horne.

The South Perth Senior Citizens Gopher Muster was a must-see at the street festival. Congratulations to Richard and Lisa Bowen who received the coveted first place trophy.

Thank you to everyone who completed the City's Fiesta 2016 surveys online, your feedback will be used to create an even bigger and better event in 2017. Photos from the festival can be viewed on the City's Facebook. ■

**FIESTA 2016** transformed the City from 5-20 March, celebrating the theme 'A Story to Tell' with an exciting array of outdoor pop-up activities, Angelo Street Marketplace, the Fiesta Concert, fireworks and public art displays.

The installation of Tom Müller's *Ascending Signals* (2016) artwork on South Perth foreshore attracted many photo enthusiasts who submitted their best pics in the City's Instagram photo competition. A total of 115 entries were received with finalists showcased at the Angelo Street Marketplace. The winners were @sayhellojo

for 'most likes', @gilligroom for 'best story' and @tshot\_photography for 'artist choice'. Winners each received an Instax Mini 8 polaroid camera.

Over 8,000 people of all ages attended Sir James Mitchell Park for the Fiesta Concert, headlined by R&B artist Nathaniel who entertained the crowd, with special guests Blacktop who got the dance floor pumping and newcomer EDDE who serenaded the crowd with her soulful lyrics. The welcomed return of the Pagoda Resort and Spa fireworks could be seen on both sides of the river.

The City acknowledges and thanks the valued supporters and sponsors of the festival.

# NAIDOC Week 2016

## Morning Melodies Concert for Seniors

**COME ALONG** to the free concert at the historical and iconic Cygnet Cinema, featuring The Perth Soprano.

A complimentary morning tea will be served courtesy of South Perth Senior Citizens Centre.

**When:** 10am, Thursday 12 May 2016

**Where:** Cygnet Cinema, 16 Preston Street, Como

**Cost:** Free, bookings essential.

Phone 9474 0777 or email [events@southperth.wa.gov.au](mailto:events@southperth.wa.gov.au).

**NAIDOC WEEK** is an opportunity for all Australians to celebrate the rich history, culture and achievements of Aboriginal and Torres Strait Islander people.

The theme of this year's NAIDOC Week celebrations, which run from 3-10 July, is Songlines or the oldest living narrative of the nation.

For Aboriginal and Torres Strait Islander people, the Dreamtime describes a time when the earth, people and animals were created by ancestral spiritual beings.

Dreaming tracks crisscross Australia and trace the journeys of ancestral spirits as they created the land, animals and lores. These dreaming tracks are sometimes called Songlines as they record the travels of these ancestral spirits who 'sung' the land into life.

Through learning more about Songlines and how they connect people to Country and Country to people – we celebrate the history and diversity of Aboriginal and Torres Strait Islander cultures - the oldest continuing cultures on the planet.

### NAIDOC flag raising ceremony

All members of the community are invited to attend the City's flag raising ceremony to be held to mark NAIDOC Week.

The event will honour the Aboriginal community in the City of South Perth and acknowledge the culture of all Aboriginal and Torres Strait Islander peoples.

**When:** 10am, Tuesday 5 July 2016

**Where:** Flag poles in front of the South Perth Community Hall, Cnr Sandgate St & South Tce, South Perth

Followed by a free morning tea.

### NAIDOC Kids Crafts

Bring your children along to this free craft workshop and celebrate this rich and vibrant indigenous culture.

**When:** 9.30-11.30am, Monday 4 July and Thursday 7 July 2016

**Where:** City of South Perth Library  
No bookings required.

For more information on NAIDOC week phone 9474 0777 or visit the City's website. ■

## RSPCA Million Paws Walk Celebrates 20 Years

**THE 20TH ANNIVERSARY** of RSPCA's Million Paws Walk will be held on Sir James Mitchell Park, South Perth on Sunday 15 May 2016.

To celebrate their 20th year, RSPCA WA have set an ambitious fundraising goal of \$200,000, and they need your help to reach it!

You and your pet can walk the 1km, 2.5km or 5km trek, so there's something to suit every person's and pooch's ability.

Funds raised go towards vital programs, services and campaigns undertaken by RSPCA WA as well as supporting their daily battle to stop animal cruelty.

There's plenty of other activities on the day including vet checks, photo booths, dog training tips, prizes, a pet parade, and the City of South Perth and Town of Victoria Park rangers will be there with giveaways and info on the best local dog parks.

**Where:** Sir James Mitchell Park, South Perth

**When:** Sunday 15 May

**Registration:** from 8.30am, walk commences at 10am

**Cost:** \$30 adults, \$12 children or \$60 for families on the day, or register online for early bird entry prices

For more information and to register visit [www.millionpawswalk.com.au](http://www.millionpawswalk.com.au). ■

## Businesses and Residents Help Clean Up South Perth Foreshore

**A BIG THANK YOU** to the three corporate teams who pitched in to help clean up the South Perth foreshore, as part of Conservation Volunteers Australia's first ever Business Clean Up Day Challenge on 1 March 2016.

The groups from Rio Tinto, Chevron and Veolia collected over 100kg of waste between them, plus a few interesting finds, including:

- 3 passports from Tonga
- a wooden chair
- a set of car keys
- action figures

The totals for the day were:

- Chevron – 51kg
- Rio Tinto – 36kg
- Veolia – 29kg

For more information on getting your business involved in next year's Business Clean Up Day Challenge see [www.cleanup.org.au](http://www.cleanup.org.au).

You don't need a big group to make a difference, as local residents and keen cyclists Peter and Julie Hatton proved. They decided to take up the Keep Australia Beautiful Council's call to Adopt-A-Spot in

their area to clean up, choosing the Como Beach and Bike Track. The pair filled an impressive 10 garbage bags, and collected a chair, a bucket and a suitcase.

Peter transported the bags with what he calls his 'high-tech garbage truck' – a collection of plastic tubs all cleverly attached to his bike.

If you'd like to Adopt-A-Spot get in contact with the Keep Australia Beautiful Council at [www.kabc.wa.gov.au](http://www.kabc.wa.gov.au) or call 6467 5339. ■

## Green Waste Collection

**TAKE ADVANTAGE OF** Autumn green waste verge side collection and get ready for winter by trimming back overgrown vegetation and raking up the fallen leaves.

The City will collect:

- Uncontaminated green/garden waste
- Tree prunings/branches with a maximum diameter of 150mm and maximum length of 1.5m
- Maximum 3 cubic metres per premise

All material for collection is to be neatly placed on the verge with cut ends toward the street.

The City won't collect:

- Lawn clippings and leaves. These may be placed in your regular bin and will be collected along with your weekly domestic rubbish collection
- General junk, building or household waste

- Tree trunks and stumps larger than 150mm in diameter or 1.5m in length
- Dug out lawn
- Green waste that is contaminated by household rubbish
- Bags or boxes of leaves and lawn clippings

If the green waste you set out does not comply, it will not be collected. Visit the City's website for specific collection dates for the final stages and additional information. ■

**Missed your collection date? Visit the City's Collier Park Waste Transfer Station to dispose of additional waste and recycling.**

## City 'Tops' in Recycling

**CITY OF SOUTH PERTH** has been recognised as a State Top Collector by MobileMuster, collecting 27.9 kilos of mobile phones and mobile phone batteries to recycle since April 2015. That's equivalent to about 150 phones and 200 mobile phone batteries!

Thirty local councils from around Australia are in the running for a Top Recycler award in this year's MobileMuster Local Government Awards, with the winners to be announced in June.

To recycle your old phone, drop it off at South Perth or Manning libraries or the Collier Park Waste Transfer Stations. ■

# South Perth Stories

## A Local History/Community Engagement Project

### eResources @ the Library

To access these online resources, visit [library.southperth.wa.gov.au/eResource](http://library.southperth.wa.gov.au/eResource) and start browsing. ■

**IN JANUARY** the City began The Bench Talk Project, an initiative which aimed to capture the stories of our local community. A group of City staff and volunteers from the South Perth Youth Network (SPYN) were trained in how to interview and record community stories.

They visited five different summer events around the City between January and April and set up a pop-up bench and invited members of the community to sit on the bench to share a story about the local area.

Twenty-six stories were recorded on the bench and 42 stories were shared on our handwritten story cards. The stories will

become a part of the collective memory of the South Perth area and will be shared on a website called South Perth Stories, set to launch at the end of 2016.

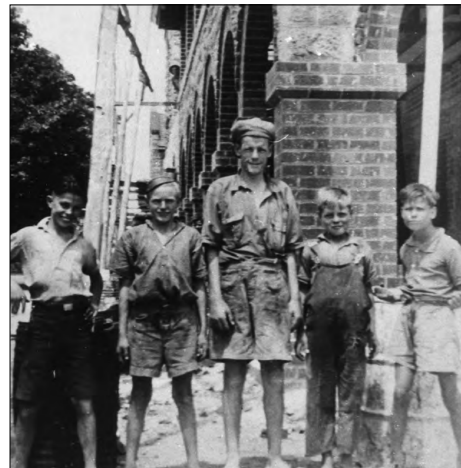

If you have an interesting or funny story or anecdote about South Perth (including the suburbs Como, Karawara, Kensington, Manning, Salter Point, South Perth) and would like to share it, visit one of the following locations to pick up a South Perth Stories story card: South Perth and Manning Libraries, the Old Mill, Heritage House Cultural Centre.

For more information, contact the Local History Librarian on 9474 0800 or [localhistory@southperth.wa.gov.au](mailto:localhistory@southperth.wa.gov.au) ■

*"It's not really my story... it was a story of a very personal friend of ours. When he was young, he wanted to buy a block in South Perth and there was no other way of getting here other than to swim the river. So he swam the river, with his clothes on his head, and he went to an auction and he bought about the third block along from where the ferry pulls in today. And they lived there for about, I think, 50-something years. That's my story."* - **Joyce Sheard** ■

## Know Your Suburb - Waterford

**WATERFORD** began as a subdivision of land formerly comprising of the Clontarf Boys' Home for orphaned or disadvantaged boys. It was owned by the Christian Brothers from 1901.

Edmund Rice, the founder of the Christian Brothers was born in the Irish town of Waterford where the first Christian Brothers' schools were founded, the name commemorates this connection.

The Christian Brothers were the owners and subdividers of the land south of Manning Road east of Elderfield Road.

The area of land involved was so large that the area became a suburb in its own right. The land originally formed part of the Clontarf Boys' Home, school and farm and was set on about 200 hectares along the Canning River.

Stage 1 of the subdivision of the land was approved in 1981, the subdivision proceeding in stages over many years. All street names within Waterford reflect the Irish theme of the original Christian Brothers, with streets such as Drogheda, Fermoy, Galway, Kilkenny, Limerick and Tralee. ■

# Community Safety

## Gone in Less Than 60 Seconds

**THE GONE IN LESS THAN 60 SECONDS** display car, constructed by Kensington PCYC volunteers, was part of the Community Safety display at the Angelo Street Marketplace.

The project demonstrates how quickly thefts from motor vehicles can happen, and that leaving valuable items such as phones and bags visible in an unattended vehicle increase the chances of this happening.

The vehicle contains items commonly stolen from cars, such as mobile phones, tablets and cash and features a television screen which displays actual CCTV footage of thefts from motor vehicles that occurred in less than 60 seconds.

The City plans to display the car at selected major events and crime hot spots.

Other local governments participating in the project include:

- City of Armadale
- City of Belmont
- City of Canning
- City of Gosnells
- Shire of Serpentine Jarrahdale
- Town of Victoria Park

To help deter thieves, the City has free safety signs available from the Civic Centre and South Perth and Manning Libraries (pictured). ■

## Seniors Safety Forum

**PRESENTED BY PAUL LITHERLAND**, a former WA Police Officer, specialising in Cyber crime, the Seniors Safety Forum will teach you how to safely navigate the internet. Come along to this free session and learn how to avoid and recognise fraudulent emails, telephone scams, identity theft, online banking and much more.

**When:** 10am-12noon, Friday 24 June 2016  
**Where:** City of South Perth Library Function Room, Cnr Sandgate St & South Tce, South Perth  
**Cost:** Free, bookings essential.
