Spraying of Weeds

From 26 April 2016

Subject to weather conditions, contract herbicide spraying will be carried out on all footpaths, cycleways, City drainage sumps and kerblines within the City of South Perth, commencing in the Manning Ward.

The chemical to be used is Glyphosate (Round Up). Appropriate signage will be displayed on the moving vehicle and in strategic locations whilst the work is being undertaken with the spraying operation being monitored by City officers in accordance with safety guidelines.

Technical information concerning product use is available by contacting the City on 9474 0777 during office hours.

Out For Comment: Revised Planning Policies

Revised Policies:

- P301 Community Engagement in Planning Proposals
- P312 Serviced Apartments
- P350.02 Boundary Walls
- P350.03 Car Parking Access, Siting and Design
- P350.04 Additions to Existing Dwellings
- P350.07 Fencing and Retaining Walls
- P350.09 Significant Views

The City of South Perth has reviewed and amended the content of some of its planning policies. In summary, the policies have been revised as follows:

- P301:** rename policy from 'Consultation for Planning Proposals', to 'Community Engagement in Planning Proposals', reflecting the expanded scope of the Policy. If approved, the amended Policy will have the effect of widening the extent of neighbour and community consultation undertaken for certain kinds of Planning proposals.
- P312:** addition of a clause restricting change of use from Serviced Apartment within the Special Design Area of Special Control Area 1 to non-residential uses only.
- P350.02:** amendments to make the policy consistent with the Residential Design Codes.
- P350.03:** amendments to update reference to Town Planning Scheme No. 6, remove duplication of Residential Design Codes requirements, clarify requirements relating to setbacks and carports, and specify minimum sizes for car stackers.
- P350.04:** deletion of clauses regarding skillion roofs and upgrade of retained dwellings, as they are no longer used.
- P350.07:** amendments to allow fibre cement or metal sheeting on side boundaries within the front setback and walls to shield meter boxes adjacent to the street boundary, ensure any fencing within a driveway corner truncation area is visually permeable, and describe the method of measuring the driveway corner truncation area.
- P350.09:** amendment to the scope of the policy to account for the new deemed provisions in Town Planning Scheme No. 6 and amendment to the policy statement to clarify information requirements and factors considered in assessing impact on significant views.

The draft revised policies are now available for comment on the City's website. They may also be viewed in person at the Civic Centre and City Libraries during business hours up to and including Friday 13 May 2016.
