Changes to inter-library loan service

From 1 July 2016 the State Government will implement savings initiatives which effect the State Library of Western Australia's delivery van service.

What does this mean for library members? From 1 July 2016 requests from other public libraries will no longer be delivered to South Perth and Manning Libraries by the State Library of WA.

To prepare for this change, the City's Libraries have temporarily suspended inter-library loan requests. Requests lodged before 12 June 2016 will still

be processed. The City's Libraries can provide a range of alternative options while the inter-library loans service is suspended including eResources, free access to thousands of titles online. For more information, phone 9474 0800 or visit library.southperth.wa.gov.au.

Planning and Development Act 2005

TOWN PLANNING SCHEME AMENDMENT AVAILABLE FOR INSPECTION - STANDARD AMENDMENT

CITY OF SOUTH PERTH TOWN PLANNING SCHEME NO. 6 AMENDMENT NO. 52

Written comments are invited on the proposed City of South Perth Town Planning Scheme No. 6 Amendment No. 52 for the purpose of aligning the Building Height Limits map with the cadastral lot boundaries at lots 501 and 502 River Way, Salter Point.

Hard copies of the report for Scheme Amendment No. 52 are available to view at the Civic Centre, Cnr Sandgate St and South Tce, South Perth and the City's South Perth and Manning Libraries. The report will be available for inspection during business hours up to and including Friday 5 August 2016.

To view the report online and to make a comment, visit the City's Your Say South Perth community engagement portal at yoursay.southperth.wa.gov.au.

Submissions on the planning scheme amendment may be lodged in writing and should include the amendment number, the property affected, details of the submission and your email and/or postal address.

Written submissions should be addressed to:

Ref: LP/209/52
 Chief Executive Officer
 City of South Perth Civic Centre
 Cnr Sandgate St & South Tce
 SOUTH PERTH WA 6151

or emailed to: feedback@southperth.wa.gov.au

Submissions on this matter will be received until **5pm, Friday 5 August 2016**.

Note: This draft amendment is currently only a proposal. Council welcomes your written comments and will consider these before recommending to the Minister for Planning whether to proceed with, modify or abandon the proposal. The Minister will also consider your views before making a final decision. It should not be construed that final approval will be granted.

GEOFF GLASS
 CHIEF EXECUTIVE OFFICER
 CITY OF SOUTH PERTH

Erosion control works at Lake Hurlingham

The City has completed erosion control works at Lake Hurlingham in Sir James Mitchell Park, South Perth.

The project involved mulching around the lake and planting of 70 grow bags of Lake Club-rush (*Schoenoplectus validus*) along the water's edge. This is aimed at improving the black swan habitat in the lake and the stability of the banks.

The City worked with the Town of Victoria Park who donated rolls of reinforced wire mesh which were installed to prevent damage from birds until the plants are established. The works are part of the strategies identified in Node 7 of the South Perth Foreshore (SPF) Strategy and Management Plan.

This publication is available in alternative formats on request.
