## Proposed Westralian Centre concept >

The City of South Perth Council is seeking feedback on the proposed concept of the Westralian Centre located west of Coode Street Jetty, identified as Node 9 Flagpole in the South Perth Foreshore Strategy and Management Plan (SPF Plan).

The Council endorsed the SPF Plan in 2015 following community and stakeholder engagement. The plan identifies 10 nodes for improvements along the foreshore.

The vision for Node 9, Flagpole is to create:

- A landmark site, representing national, state, local and Aboriginal significance, that

expresses the historical background of the area; and

- A landmark event space for civic and social events that also provides recreational facilities throughout the year.
