NOTES

City of South Perth

Council Agenda Briefing

Meeting Date & Time: 6.00pm, Tuesday 10 November 2026
Meeting Location: Council Chamber

1. DECLARATION OF OPENING

The Presiding Member opened the Briefing at 6.03pm and welcomed everyone in attendance.

ITEMS FOR COUNCIL

The Presiding Member informed the meeting that Agenda Items 2, 3, 6, 7, 8.1, 8.2, 9, 11, 13 and 14 will be dealt with at the Ordinary Council Meeting to be held 17 November 2026.

4. ATTENDANCE

Presiding Member	Councillor André Brender-A-Brandis

Councillors

Como Ward	Councillor Kathy Lees
Como Ward	Councillor Joanne Ord
Mill Point Ward	Councillor Bronwyn David
Moresby Ward	Councillor Stephen Russell
Moresby Ward	Councillor Christine Robinson

Officers

Acting Chief Executive Officer	Ms Anita Amprimo
Acting Director Corporate Services	Ms Donna Shaw
Acting Director Development and Community Services	Ms Margaret King
Acting Director Infrastructure Services	Ms Olaya Lope
Manager Finance	Mr Khris Yeoh
Manager Governance	Mr Morgan Hindle
Acting Manager Regulatory Services	Mr Jeremy Versaico
Governance Officer	Ms Jane Robinson
Governance Officer	Ms Sarah Gould

Gallery

There was 1 member of the public present.

4.1 Apologies

- Mayor Greg Milner
- Councillor Gavin Denton

4.2 Approved Leave of Absence

- Councillor Blake D'Souza for the period 12 October 2026 to 13 November 2026, inclusive.

5. DECLARATIONS OF INTEREST

- Councillor Bronwyn David – Impartiality Interest in Item 10.1.1 as 'I am acquainted with the family of one of the recommended recipients of an award. As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.'
- Councillor Stephen Russell – Financial, Proximity and Impartiality Interest in Item 10.3.1 as 'my property is on the heritage list. Adjacent properties to my property are on the heritage survey. I know of persons whose properties are on the heritage survey.'
- Councillor André Brender-A-Brandis – Impartiality Interest in Item 10.3.1 as 'I know of someone who is not a closely associated person to me, and their property is on the Local Heritage Survey for final adoption. This impartiality interest will not impair my decision making, which will be based on merit.'
- Councillor Bronwyn David – Impartiality Interest in Item 10.3.1 as 'before joining Council, I wrote heritage submissions and made deputations to Council on Heritage matters. I am also a current member of an association of past Wesley College parents. As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.'
- Councillor Kathy Lees – Impartiality Interest in Item 10.3.1 as 'I declare an impartiality interest as, prior to my election, I requested heritage listing for 49 Forrest Street and I have friends who are members of Royal Perth Golf Club. I will consider the matter on its merits and vote accordingly.'
- Councillor Bronwyn David – Impartiality Interest in Item 10.4.1 as 'many of the actions in this matter are recommend to be managed as part of the City's Urban Greening Strategy. I am a cofounder of South Perth Tree Canopy Advocates. As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.'
- Councillor Kathy Lees – Impartiality Interest in Item 10.4.1 as 'I declare an impartiality interest due to my association with the South Perth and WA Tree Canopy Advocates, whose advocacy includes tree planting on the South Perth foreshore. I will consider the matter on its merits and vote accordingly.'

8. PRESENTATIONS

8.3 Deputations

Nil.

10. DRAFT NOVEMBER 2026 REPORTS

The Acting Chief Executive Officer, Ms Anita Amprimo then gave a brief summary of the November 2026 Agenda Items to be considered by Council, as follows.

Councillor Bronwyn David disclosed an Impartiality Interest in Item 10.1.1.

10.1.1 City of South Perth - 2027 Auspire Community Citizen of the Year Awards - Nominations, Assessment and Recommendations

This report seeks Council's approval of the award recipients for the City of South Perth – 2027 Auspire Community Citizen of the Year Awards.

Councillor Stephen Russell disclosed a Financial, Proximity and Impartiality Interest in Item 10.3.1.

Councillors André Brender-A-Brandis, Bronwyn David and Kathy Lees disclosed an Impartiality Interest in Item 10.3.1.

10.3.1 Heritage List Review (Advertising)

This report presents proposed modifications to the Heritage List for the purpose of advertising. These changes result from modifications to the Local Heritage Survey adopted by Council at its meeting held 27 October 2026.

The City of South Perth is required to establish and maintain a heritage list to identify places within the Scheme area that are of cultural heritage significance and worthy of built heritage conservation.

Councillors Bronwyn David and Kathy Lees disclosed an Impartiality Interest in Item 10.4.1.

10.4.1 South Perth Foreshore Strategy and Management Plan - Status Report

This report follows the review of the South Perth Foreshore Strategy and Management Plan 2015 (Plan) previously presented to Council in response to Council Decision 0226/033.

The previous review assessed the implementation status and ongoing strategic relevance of the 75 actions contained within the Plan. This report presents the recommended update to those actions, identifying those to be retained, updated or closed to provide a contemporary basis for the ongoing management and delivery of initiatives across the South Perth foreshore.

10.4.2 City of South Perth Public Health Advisory Group

This report provides the opportunity for the appointment of an Elected Member to the City of South Perth Public Health Advisory Group for the period 17 November 2026 to 16 October 2027.

10.4.3 City of South Perth Community Safety and Crime Prevention Advisory Group

This report provides the opportunity for the appointment of an Elected Member to the City of South Perth Community Safety and Crime Prevention Advisory Group for the period 17 November 2026 to 16 October 2027.

10.4.4 South East Metropolitan Regional Road Sub-Group

This report seeks the appointment of an Elected Member representative as the Member to the South East Metropolitan Regional Road Sub-Group for the period 17 November 2026 to 16 October 2027.

10.4.5 Listing of Payments - October 2026

This report presents to Council:

- The list of accounts paid under delegated authority between 1 October 2026 to 31 October 2026; and
- Purchase card (credit and fleet cards) transactions included in the total monthly balance settled between 1 October 2026 and 31 October 2026.

12. MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

Nil.

15. MEETING CLOSED TO THE PUBLIC

Nil.

16. CLOSURE

At 6.36pm the Presiding Member closed the Council Agenda Briefing and thanked everyone for their attendance.

CITY OF SOUTH PERTH HERITAGE LIST

CITY OF SOUTH PERTH HERITAGE LIST

Detailed Place Information

CATEGORY 1 PLACES

~~Place~~ InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
16178~~1~~	Canning Bridge	Canning Highway	Como	N/A	~~The following statement is taken from Register Entry for place 16178, prepared in 2012.~~ The Canning Bridge ~~, comprising two almost identical timber bridges, Canning Bridge eastbound (1937) and Canning Bridge westbound (1958), over the Canning River between Applecross and Como,~~ has cultural heritage significance for the following reasons: • the place is rare as an intact, substantial timber bridge comprising two adjacent structures built at different times; • the site represents changing transport systems in Perth since 1829, from its origins as a ferry crossing, construction of the original Canning Bridge (1849), its role as part of the first road link between the city of Perth and the port of	• Local Heritage Survey Place No. 1 ~~Category 1~~ • State Register of Heritage Places • InHerit No. 16178 ~~Art Deco Significant Building Survey State-wide Large Timber Structure Survey City of Melville Local Heritage Survey~~

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					Fremantle through to construction of the current structures; • the fishing platform underneath the 1958 structure is one of the few remaining of its kind; • the place is valued as a site of recreational activities in the past to the present day, including organised sporting events, and as a venue for informal recreational activities. It achieved prominence in 1962, as the end point for rowing at the VII British Empire and Commonwealth Games; • the place is an important landmark when viewed from the Swan and • Canning Rivers, and the river foreshores. It contributes to the cultural landscape of the Applecross commercial precinct which includes Raffles Hotel (1937) and the distinctive façade of Applecross District Hall (1934); • the place is a good example of a large timber bridge with cross braced driven piles, and demonstrates evidence of the innovative techniques of bridge conservation developed by the Main Roads Department in the 1970s. The signage on the bridges and the metal railings in the centre of the bridge have little significance.	

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
2403~~9~~	Pagoda Ballroom (fmr)	No. 112 Melville Parade	Como		The ~~The following statement is drawn from the State Register Entry for Place 2403 Pagoda, Como, prepared in 2004.~~ Pagoda ~~, Como, a masonry and tile building with an octagonal plan and distinctive three-tiered terracotta tiled roof, constructed in 1926 and largely reconstructed in 1998,~~ has cultural heritage significance for the following reasons: • the place is a unique example of recreational architecture in Western Australia, with Chinese inspired details and form, including an octagonal tower and a three tiered roof that turns up at the edges and is adorned with decorative ridge accents, gargoyles and a finial; • the place contributes to a sense of place for residents and visitors to Perth as a well-known social venue and prominent landmark and is valued by the community for its continued recreational and social functions for over seventy years; and, • the place is rare as the only extant example of the buildings constructed for leisure, recreational and entertainment purposes at Como Beach at the height of its popularity as a summer resort during the 1920s, which lasted to some degree until the Kwinana Freeway was built in 1959.	• Local Heritage Survey Place No. 9 ~~Category 1~~ • State Register of Heritage Places • InHerit No. 2403

~~Place~~ InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
2404~~10~~	Como Theatre (fmr Cygnet Theatre)	No. 16 Preston Street	Como		The ~~The following statement is taken from the Register Entry for Place 2404 Cygnet (Como) Cinema prepared by the State Heritage Office in 1994.Cygnet~~ Como Theatre~~Cinema~~ has cultural heritage significance for the following reasons: • the place is a demonstration of the new functional approach to cinema design in Perth in the late 1930s. The combination of one projection unit for both indoor auditorium and outdoor picture garden was an innovation of the period; • the place is a fine example of the Inter-War Functionalist style; • apart from being the first purpose-built sound cinema in the suburbs immediately south of the city, the place is rare as the least altered of the 1930s suburban cinemas of Perth that are in operation; • the place is closely associated with Western Australian cinema pioneer James Stiles, and cinema architect William Leighton; • the siting and distinctive form of the place has established the ~~Cygnet~~ Como Cinema (fmr Cygnet Theatre) as a Como local landmark; and • the place is valued by the community for its continuity of use as an entertainment venue.	• Local Heritage Survey Place No. 10~~-Category 1~~ • State Register of Heritage Places • InHerit No. 2404 ~~Art Deco Significant Building Survey Register of the National Estate Classified by the National Trust of Australia~~
4794	Mount Henry Bridge	Kwinana Freeway	Salter Point		The Mount Henry Bridge has cultural heritage significance for the following reasons:	• Local Heritage Survey Place No. 22

Place InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					• The place is associated with the growth of the Perth metropolitan area in the latter part of the 20th century, and government support for extensive road systems, and later rail systems, commencing with the 1955 Stephenson-Hepburn Plan and the subsequent 1963 Metropolitan Region Scheme. • The place is a vital component of the Kwinana Freeway, a major transport artery linking the Perth CBD with the south metropolitan region of Perth, (including the industrial precinct around Kwinana), and the major tourist and wine-growing regions of the south-west of the state. • The place is representative of the significant concrete bridges across major waterways that started emerging in Perth from the 1950s. • The place has aesthetic and scientific value for its innovative design and construction including the cantilevered pedestrian walkways and cycleways under the bridge deck on each side which separates vehicle and pedestrian traffic, and the use of a construction method which minimised the need for complex and expensive mid-span temporary piers. The method of construction demonstrates an engineering innovation not previously used in Western Australia. • The place has social value as a prominent landmark that contributes to the community's	• State Register of Heritage Places • InHerit No. 4794

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					sense of place. Its elegant and simple form was designed to minimise the visual impact on the river, allow maximum use by water traffic, and be well integrated into the landscape.	
2396~~24~~	Aquinas College	No. 58 Mount Henry Road	Salter Point		The ~~The following statement was prepared by the State Heritage Office for the inclusion of Place 2396 Aquinas College in the State Register of Heritage Places in 2010.~~Administration Building and Chapel, Aquinas College ~~, comprising the three storey brick and tile Inter War Gothic style Administration Building (1937; 1967; 1998) and single-storey stone and concrete Late Twentieth Century Organic style Chapel (1966), sited amongst a complex of school buildings, landscaped gardens, playing fields and bushland on the bank of the Canning River,~~ has cultural heritage significance for the following reasons: • the place was established from 1937 as an expansion of the Perth school run by the Christian Brothers, who were a significant contributor to education in the State from 1894 through the twentieth century, especially for Catholic boys; • the Chapel is a rare and excellent example of a Late Twentieth Century Organic style church in Western Australia, featuring innovative use of traditional materials and a curved form and design to complement the natural setting; • the Administration Building is a substantial example of Inter War Gothic style architecture,	• Local Heritage Survey Place No. 24 ~~Category 1~~ • State Register of Heritage Places • InHerit No. 2396

Place InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					featuring a landmark central tower, pinnacles, belvedere and parapeted gables to the skyline, arched three-storey verandahs, well articulated vertical elements and white accents against red face brickwork; • the Administration Building, a distinctive landmark visible from vantage points from across the Canning River, was designed by Michael Cavanagh of the prominent architectural firm Cavanagh & Cavanagh, and is a rare example of the firm designing in the Inter War Gothic style; • the place demonstrates the educational philosophy of the Christian Brothers, in which sporting activities and a non-urban environment were considered major contributors to appropriate character development for boys, and their commitment to Catholic religious guidance for their students; • the Chapel was one of the first Catholic buildings constructed in Western Australia in response to the impact of liturgical changes arising from the Second Vatican Council of 1962-65, with its form and plan implementing the Council's theological emphases on inclusiveness in worship; • the Chapel is a rare example of a building using red Mount Barker stone, as the stone had a limited distribution and is no longer quarried; and, the Chapel and 1967 additions to the

					Administration Building were designed by architectural firm Henderson and Thompson.	
2379	Wesley College	No. 40 Coode Street	South Perth		Wesley College has developed considerably since its inception in 1923. The built structures provide tangible evidence of the growth and evolution of the place, reflecting its historical development and contributing to the understanding of its associated heritage values. For the purposes of determining significance across the site, the highest level of significance is contained within the area of cultural heritage significance. The area of cultural heritage significance includes the two storey brick and tile J. F. Ward Wing (1923), Kefford Wing (1925, 1936, 1957-58, 1962-64), J. S. Maloney House (1937) Clive Hamer Building (1940), and H. R. Trenaman Library and Staff common building (1937, 1970); double volume concrete and metal Old Boys' Memorial Chapel (1961); Old Wesley Collegians' Association Memorial Lych Gate (1953) and Rose Garden (1995); J. F. Ward Oval (1924); Jenkins Quadrangle (1978) set in landscaped gardens of grass, shrubs and established trees, has cultural heritage significance for the following reasons: • the place illustrates aspects of the development of education in Western Australia and is valued by the community of South Perth, the Methodist community and the wider community for its	• Local Heritage Survey Place No. 36 • State Register of Heritage Places • InHerit No. 2379

Place InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					contribution to the education of generations of boys; • Wesley College Old Boys' Memorial Chapel is a fine representative example of Post War Ecclesiastical style, featuring innovative design and building techniques through the use of reinforced concrete ring beams and precast concrete walls and slabs, built to an award-winning 1960 design by Ross Chisholm; • the place is a cohesive complex of educational buildings, developed from the 1920s to the present (2026) in a manner which, on the whole is architecturally sympathetic to earlier elements; • the place contributes to the community's sense of place as it has been in the same locality and performing similar educational functions since 1923, during which time the suburb of South Perth has developed around the school and the place has become an intrinsic part of the streetscape and community; and, • the individual elements of the place collectively form an attractive cultural landscape of significant buildings and structures set within an accessible, inviting and pleasing landscape. The Science Building (1956), R. E. Blanckensee Centre (1987), Harrison Dormitory (1968-70), Manning House (1999), Joseph Green Centre (1973),	

Place InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					Rossiter Oval, Junior and Middle Schools and staff housing contribute to the historical development of the place, and while contributing to historic and social significance, are not essential to its cultural heritage values. The sheds associated with gardening and maintenance of the school located adjacent to the playing fields are considered to have low cultural heritage significance. Collins Oval and Change Rooms (1971) are at a separate site at Thelma Street.	
2383	St Columba's Church, Presbytery & Primary School	No. 25 Forrest Street	South Perth		St Columba's Church, Presbytery and Primary School Group comprising St Columba's Church (1937), Presbytery (1938), Church Centre (1986), and St Columba's Catholic Primary School (1908-2008), has cultural heritage significance for the following reasons: • the place is an intact collection of buildings forming a historic Catholic group and, distinguished by the prominence of the site, is a regional landmark; • the place demonstrates the expansion of the Catholic Church in Western Australia during the time of Bishop Mathew Gibney (1887-1910), Archbishop Patrick Clune (1911-1935) and Archbishop Redmond Prendiville (1935-1968) and the role played by Irish Religious Orders in the	• Local Heritage Survey Place No. 39 • State Register of Heritage Places • InHerit No. 2383 for the St Columba's Church Group & St Joseph's Convent, South Perth

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					establishment of Roman Catholicism in Australia in the nineteenth and twentieth century; • St Columba's Church is a fine example of the Inter-War Romanesque style with Spanish Mission influences, exhibiting smooth rendered facades, elegant proportions, and fine interior detailing. Its design represents early attempts to build ecclesiastical structures that were appropriate to the climatic and cultural conditions of southern Western Australia; • St Columba's Church features excellently crafted stained glass windows, with intense and deep colours designed specifically to exploit Western Australian sunlight, which contribute to the splendour of the interior space; • the place is significant for its association with prominent Catholic Religious in Western Australia, including the Rev. Dr John Thomas McMahon, Archbishop Patrick Clune, Archbishop Redmond Prendiville, the Sisters of Mercy and the Sisters of St Joseph; • the place is associated with Richard John Dennehy, well-known Western Australian architect and prominent Catholic layman, who designed the first church-school on the site in 1908, and its extension in 1919, as well as his own 16 York Street home (1908), that was purchased by the Sisters of St Joseph for a convent in 1914;	

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					• the place is highly valued by the Catholic community as an important focus of their religious life. It also contributes to the sense of place of the wider community, due to its prominent location and distinctive aesthetic characteristics; and The garage is of little significance.	
479~~548~~	Narrows Bridge	Kwinana Freeway	South Perth		~~TThe following statement is drawn from the State Register Entry for Place 4795 narrows Bridge, prepared in 1999.~~he ~~(It does not include reference to the railway line or second bridge built in 2001)~~ Narrows Bridge ~~, a five span pre-stressed concrete bridge,~~ has cultural heritage significance for the following reasons: • the place is a strong landmark element of the visual landscape which comprises the built form of the City and the Narrows Bridge and the natural form of the river and Mt Eliza, this same visual resolution is apparent during the day and at night time in the context of an illuminated City and Bridge, the place is the first physical manifestation of the Hepburn and Stephenson plan, which contributed to the development of the Freeway road systems in the State and the Perth Metropolitan Region Scheme from the 1950s, • the pre-stressed concrete structure is representative of innovative engineering technology and method developed in the 1950s.	• Local Heritage Survey Place No. 48 ~~Category 1~~ • State Register of Heritage Places • InHerit No. 4795

~~Place~~ InHerit ~~Place~~ No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					The construction involved structural design, techniques and materials appropriate to a low-profile structure in a visually, critical location with difficult foundation characteristics, • the place has associations with eminent consulting engineers, Maunsell & Partners in the U.K. and consulting architects, Sir William Holford and Partners in the U.K., • as an element of the Stephenson-Hepburn Report of the 1950s which emphasised the need for aesthetic consideration to be incorporated into the design of the Bridge; and • the place contributes to the community's sense of place as an element in the landscape of the City.	
483~~949~~	Milyu Nature Reserve and Marine Park	Kwinana Freeway	South Perth		Milyu Nature Reserve and Marine Park have cultural heritage significance for the following reasons: • The place has aesthetic value as an area of unstructured wetland featuring indigenous plants, supporting water and bird life located alongside a dense urban landscape. • The place has historic value as an area which has been modified since settlement but continues to provide a rich habitat for indigenous wildlife. • The place has historic value for its association with the holiday camping grounds which were located along this foreshore until the mid-20th century.	• Local Heritage Survey Place No. 49 ~~Category 1~~ • InHerit No. 4839 • ~~Register of the National Estate~~ ~~Dept of Aboriginal Affairs Registered Aboriginal Sites 4406 and 3705~~

~~Place~~ InHerit Place No.	Place Name	Address	Location	Significant Interior	Statement of Significance	Further Information
					• The place has social value for the many members of the South Perth and wider community who use the place for passive recreation. • The place has research value as the wetland has been identified as a rare and rich habitat which hosts many migrant bird species which are studied by academic, government and volunteer groups.	
332~~451~~ 16792	Perth Zoo	No. 20 Labouchere Road	South Perth		The Perth Zoo has cultural heritage significance for the following reasons: • The Perth Zoo is a 17 hectare site of animal enclosures, gardens and ancillary support buildings that as a whole has aesthetic value as a well maintained green environment in an urban setting that provides a strong contrast to its surroundings. • The Perth Zoo has historic value for its association with the WA Acclimatisation Society established in 1896 that represented the 19th century understanding and approach to local fauna and flora and zoo practices. • The Perth Zoo has historic value as a demonstration of the development of the understanding of zoos, animal husbandry and research since the late 19th century. The retention of old enclosures on the site demonstrates how zoo practices have changed.	• Local Heritage Survey Place No. 51 ~~Category 1~~ • InHerit Nos. ○ 3324 for the Perth Zoo (Perth Zoological Gardens) ○ 16792 for the Perth Zoo Primates Cages (fmr) (Carnivora house, Dome Cage, Gibbon Row) ~~Register of the National Estate~~

SOUTH PERTH FORESHORE MANAGEMENT PLAN

WHOLE OF FORESHORE STRATEGIES		
WOF 1 TRANSPORT & ACCESS  	▪ WOF 1.1 Improve the paths for cyclists and pedestrians ▪ WOF 1.2 Improve access for all, including those with disabilities ▪ WOF 1.3 Develop an integrated public transport network ▫ bus/ferry/cycling/shuttle service/water taxis/ Circuit Cat Bus/ road tram ▪ WOF 1.4 Improve signage and way finding in the park for pedestrians and cyclists ▪ WOF 1.5 Improve parking facilities and management ▪ WOF 1.6 Bike/Segway/Electrical Bike Hire.	
WOF ACTIONS	**RECOMMENDED UPDATED ACTION NOVEMBER 2026**	**RATIONALE**
i. Set priorities and program based on recommendations from the City of South Perth Bike Plan and related studies	**Update:** Set priorities based on the updated Bike Plan and the Integrated Transport Plan 2021-2031 and incorporate identified priorities into future asset renewal and capital works programs.	The City is currently reviewing the Bike Plan, supported by grant funding secured through the WA Bicycle Network Grants Program. The revised Bike Plan, together with the Integrated Transport Plan 2021–2031, will inform future cycling and active transport priorities. The City is also actively pursuing external funding opportunities to support the delivery of priority active transport projects, including through the Australian Government Active Transport Fund.

ii. Set priorities and program based on recommendations for Access for All	**Retain**	The action remains current and is being delivered as an ongoing business-as-usual activity through the City's Access and Inclusion Plan and relevant asset renewal and capital works programs.
iii. Engage a transport consultant to prepare a Multi- modal Transport Study including recommendations to resolve the conflict between cyclists, pedestrians and vehicles. The study should consider the requirements of Amendment No.25 to TPS No.6 and opportunities associated with the potential future train station at Kwinana Freeway near Richardson Park; and include integrated transport options and public transport including buses, and	**Update – Merge with action WOF 1.i:** Set priorities based on the updated Bike Plan and the Integrated Transport Plan 2021-2031 and incorporate identified priorities into future asset renewal and capital works programs.	The original action sought the preparation of a separate Multi-modal Transport Study. This is no longer considered necessary, as the Integrated Transport Plan 2021–2031 now provides the overarching framework for the City's transport planning, investment, advocacy and decision-making across active transport, public transport, road transport, public realm and parking management. It also includes specific actions relating to the South Perth Peninsula and foreshore. Merging this action with WOF 1.i will consolidate overlapping transport actions within the Foreshore Plan and ensure future priorities are informed by the Integrated Transport Plan and updated Bike Plan, rather than maintaining a separate requirement for a Multi-modal Transport Study.

ferry services to/from Mends and Coode Street Jetties		
iv. Prepare a Wayfinding & Signage Strategy for the foreshore and consider further way-finding signage improvements. Liaise with relevant authorities to prepare the strategy for the wider Perth Waters and tourist precinct.	**Close**	The preparation of a dedicated Wayfinding and Signage Strategy for the foreshore is no longer considered necessary. The widespread use of digital mapping and navigation technology has reduced reliance on traditional wayfinding signage and changed the way visitors navigate and access destinations. Any future wayfinding or signage requirements can be considered on a needs basis as part of individual foreshore projects, asset renewal or operational improvements, rather than through preparation of a separate strategy.
v. Review current parking provisions (including numbers, time and taxi allocations); and location of car parks; with any further car park bays to be limited to road reserves, not within the POS.	**Update:** Manage parking priorities for the South Perth Foreshore in accordance with the City's Parking Strategy and Parking Plan, and incorporate identified priorities into future parking management, asset planning and capital works programs.	The original action remains relevant; however, a separate review of parking provisions specifically for the South Perth Foreshore is no longer considered necessary. Since adoption of the Foreshore Plan, the City has developed a broader strategic framework for parking management through the Parking Strategy and associated Parking Plan. Parking within the foreshore precinct should therefore be considered as part of this City-wide approach and not as a separate foreshore-specific review.

vi. Liaise with existing bike hire operators (Town of Victoria Park and the City of Perth) to extend services to South Perth.	**Update:** Investigate and progress shared micromobility opportunities, including shared e-scooter services, to improve access and connectivity to and along the South Perth Foreshore, consistent with the City's Integrated Transport Plan 2021-2031.	It is recommended that the action be updated to focus on shared micromobility rather than a specific bike hire model, reflecting changes in available transport options and the City's current consideration of contemporary shared mobility initiatives. This approach aligns the action with the Integrated Transport Plan 2021–2031 and ensures that future shared micromobility opportunities are considered as part of the City's broader integrated transport planning.

WOF 2 INFRASTRUCTURE 	▪ WOF 2.1 Improve safety and lighting ▪ WOF 2.2 Improve park facilities - including signage, toilets, and furniture such as bins, seats, picnic tables etc ▪ WOF 2.3 Increase shade and shelter.	
WOF ACTIONS	**RECOMMENDED UPDATED ACTION NOVEMBER 2026**	**RATIONALE**
i. Prepare a Reserve Facilities Strategy and Assets Management Plan (AMP), including an Asset Condition Survey of all assets, facilities and services (furniture, power, water, stormwater drainage etc). AMP to include future maintenance budgets, to ensure 'whole of life' management and a determination of impairment due to climatic factors such as wind and salt. Strategy to include a	**Update:** Manage South Perth Foreshore assets through the City's Asset Management Strategy 2025-2035, including regular condition assessments and whole-of-life planning, with identified renewal and maintenance requirements incorporated into future asset management plans, capital works programs and long-term financial planning.	The original action remains relevant; however, the requirement to prepare a separate Reserve Facilities Strategy and Asset Management Plan specifically for the foreshore is no longer considered necessary. Asset condition assessments, lifecycle planning, maintenance requirements and renewal priorities are now managed through the City's broader Asset Management Strategy 2025-2035 and relevant Asset Management Plans. Asset condition assessments and revaluations are undertaken on a rolling basis, with information progressively updated through inspections, maintenance, repair and renewal activities. This information informs asset renewal programs, maintenance requirements, risk management and future investment priorities.

Material Palette; Public Realm Guidelines, and Project Timeline.		
ii. Seek priority funding for river wall/ river edge/ beach upgrades and implement	**Retain**	The action remains relevant and is ongoing. External funding continues to provide opportunities to support significant riverbank, river edge and beach restoration and renewal works, as demonstrated through the Coode Street Riverbank Restoration Project.
iii. Develop an Irrigation and Hydro-zoning/ Eco zoning Plan with cost estimates and priorities	**Update:** Develop irrigation and hydro-zoning/eco-zoning initiatives across the South Perth Foreshore consistently with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan.

iv. Input into traffic and transport study/s regarding carparks and path networks (refer WOF 1).	**Update – Merge with action WOF 1.i:** Set priorities based on the updated Bike Plan and the Integrated Transport Plan 2021-2031 and incorporate identified priorities into future asset renewal and capital works programs.	The action overlaps with WOF 1.i and WOF 1.iii and is therefore recommended to be consolidated into a single transport-related action. Future priorities relating to car parking, path networks and active transport should be informed by the Integrated Transport Plan 2021–2031 and the updated Bike Plan and incorporated into relevant future asset renewal and capital works programs.
v. Implement the Wayfinding & Signage Strategy (from WOF1) to upgrade reserve signage and other wayfinding infrastructure.	**Close**	Refer to the recommendation for action WOF1.iv.
vi. Liaise with Public Transport Authority and Swan River Trust on jetty and river infrastructure.	**Retain**	The action remains current and relevant.

vii. Complete the lighting infrastructure upgrade including areas identified for safety reasons	**Retain**	The action remains current and is being progressively implemented through staged lighting upgrades across the foreshore.
viii. Prepare a Shade and Vista Analysis for improved shade and shelter (whilst maintaining vistas); and related plan for implementation, incorporating ecozoning and hydrozoning to increase biodiversity	**Update:** address improvement of shade and shelter across the South Perth Foreshore, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies, including those relating to the provision of shade structures.
ix. Develop a Water Sensitive Urban Design (WSUD) Program with cost estimates and priorities and implement	**Update:** Develop and implement Water Sensitive Urban Design initiatives across the South Perth Foreshore, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the relevant priorities and initiatives established through the Urban Greening Implementation Plan and other relevant City policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies.

WOF 3 ACTIVATION  ACTIVATION	▪ WOF 3.1 Outdoor activities and facilities: ○ Outdoor chess, game tables ○ Ping Pong/ table tennis ○ Rollerblading around the city/circuit events ○ Deck chair and umbrella rental ○ Outdoor Thai Chi, Yoga, exercise classes ○ Night walks ○ Kite flying ▪ WOF 3.2 Events and performances ○ Culture and theatre ○ Live music ○ Dancing and lessons ○ Keys to the City – Pianos ○ Red Bull Air Race and similar ○ Outdoor cinema – movies & sporting events ○ Scientific and educational events – tide readings for kids and river history walks ▪ WOF 3.3 Water-based activities and facilities ○ Temporary or permanent water play ○ Swimming bath/Floating Pool/ Pontoon ○ Showers; ▫ Paddle boats ○ Boating – dragon boat racing, canoe, kayak, temporary boat moorings ▪ WOF 3.4 Public art ○ Decorative street lighting such as fairy lights ○ Temporary exhibitions, sculpture walk ▪ WOF 3.5 Leasing Arrangements ○ No land on the South Perth foreshore be subject of a lease exceeding 21 years (including options).

WOF ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Investigate 'partnering' opportunities with community and interest groups, Department of Transport, other LGAs, and commercial stakeholders including the Perth Zoo	**Retain**	The action remains current and relevant.
ii. Trial temporary short term activation solutions to test and assess long term interest	**Retain**	The action remains current and relevant.
iii. Review regulations and approvals process for events and activation along the foreshore	**Close**	Action completed. The 2020 review of the City's approval processes for events, recreation and associated foreshore activities resulted in clearer processes for determining approvals based on land ownership and tenure, improved understanding and application of relevant Management Order requirements and the State Government's Temporary Bars Policy, and the establishment of an annual expression of interest process for

		foreshore activation proposals. These arrangements are now incorporated into the City's ongoing management of foreshore activities and, as such, no further action under the Foreshore Plan is required.
iv. Investigate operator interest in hire or long term facilities for lease with reference to the specific Node Strategies	**Retain**	The action remains current and relevant.
v. Liaise with groups through expressions of interest that target performance artists and arts organisations and similar, regarding event opportunities	**Retain**	The action remains current and relevant.
vi. Engage with local businesses including foreshore traders and community enterprises	**Retain**	The action remains current and relevant.

vii. Develop a strategy for events and activation that includes the foreshore and incorporates the opportunities/strategies recommended.	**Update:** Plan and deliver events and activation opportunities for the South Perth Foreshore consistent with the City's Cultural Plan 2023-2028 and once adopted, the Cultural and Social Strategy and its associated priorities and initiatives.	The action remains relevant; however, it is recommended that events and activation opportunities for the South Perth Foreshore are considered through the City's broader strategy rather than through a separate foreshore-specific events and activation strategy. The existing Cultural Plan 2023-2028 continues to guide current activities, with the future Cultural and Social Strategy anticipated to be developed in 2027 providing the strategic framework for future programming and activation opportunities.

WOF 4 CULTURE, HERITAGE & ENVIRONMENT CULTURE HERITAGE & ENVIRONMENT	▪ WOF 4.1 Tourism attractions and facilities ▫ Introduce commercial activity associated with Aboriginal culture (e.g. Dance, food) o Celebration of visitors ▪ WOF 4.2 Educational events and facilities o Signage and interpretation of history (including Aboriginal, European, Chinese market gardening and ecological/natural history) o Walking tours ▪ WOF 4.3 Highlight and interpret heritage/ culture/ history ▪ WOF 4.4 Environmental improvements and management o Add to biodiversity (including ecozoning/ hydrozoning) o Water Sensitive Urban Design (WSUD) o Climate change adaptation.

WOF ACTIONS	RECOMMENDED UPDATED ACTION NOV EMBER 2026	RATIONALE
i. Investigate culture & heritage in order to prepare a Culture and Heritage Interpretation Plan to provide a framework for interpretation across the foreshore, to enable key messages and themes to be represented utlilising various media, while	**Close**	The preparation of a standalone Culture and Heritage Interpretation Plan for the South Perth Foreshore is no longer considered necessary. Culture and heritage interpretation has been progressed through site-specific initiatives, including European and First Nations cultural interpretation at the Old Mill. Future culture and heritage interpretation opportunities can be addressed through the City's Reconciliation Plan 2025-2030, public art initiatives and the future Cultural and Social Strategy and associated

allowing site-specific stories to be told.		implementation planning. Closing this action avoids duplication while allowing further interpretation opportunities to be considered through these broader City frameworks and future foreshore projects as appropriate.
ii. Engage an Aboriginal project officer to research and coordinate aspects of the project	**Close**	The specific requirement to engage an Aboriginal project officer is no longer considered necessary. The intent of the action has been progressed through the engagement of an Aboriginal organisation to undertake research into local cultural sites, with the outcomes incorporated into interpretive signage at the Old Mill. Future First Nations cultural research, interpretation and engagement should be progressed through the City's Reconciliation Plan 2025–2030 and other relevant cultural, heritage and project-specific initiatives. It is therefore recommended that this action be closed to avoid duplication.
iii. Engage a multidisciplinary Archaeological team to prepare an Archaeological Management Plan	**Retain**	The action remains current and relevant.

iv. Prepare a climate change response / adaptation plan for the river foreshore	**Retain**	The action remains current and relevant.
v. Prepare and implement a plan for ecozoning and hydrozoning to increase biodiversity (refer WOF 2)	**Update as per WOF2.iii:** Develop irrigation and hydro-zoning/eco-zoning initiatives across the South Perth Foreshore consistently with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan.	The action remains relevant; however, similarly to action WOF2.iii, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan.
vi. Undertake weed mapping of the entire foreshore and document this in an Environmental Management Plan (EMP) for the foreshore	**Close**	Weed monitoring and control across the South Perth Foreshore is incorporated into the City's ongoing natural area management and maintenance activities, with management practices adapted in response to changing weed management requirements and environmental risks. As these activities are embedded within business-as-usual operations, preparation of a comprehensive foreshore-wide weed map and separate Environmental Management Plan is no longer considered necessary.

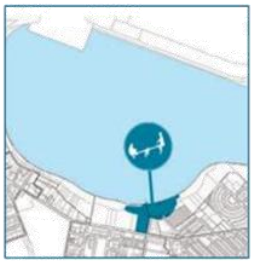

vii. Undertake a Flora and Fauna Survey of the foreshore (to update 2001 records) and incorporate findings in above EMP	**Update:** Undertake Flora and Fauna surveys across the South Perth Foreshore consistently with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan.	It is recommended that future flora and fauna assessment, monitoring and biodiversity initiatives be considered, where required, through the City's broader urban greening framework, consistent with the Urban Greening Strategy 2025–2035 and the priorities and initiatives established through the Urban Greening Implementation Plan.
viii. Prepare and implement a Tree Planting Program (including succession and senescent tree planting).	**Update:** Prepare and implement a Vegetation and Tree Planting Program consistently with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan.	It is recommended that future initiatives be considered through the City's broader urban greening framework, consistent with the Urban Greening Strategy 2025–2035 and the priorities and initiatives established through the Urban Greening Implementation Plan.
ix. Prepare a study of the water bodies including lakes and wetland/s and the river's edge and stormwater drainage; and incorporate into WSUD Program (refer WOF 2) to improve the reserve's water quality.	**Update:** Improve water quality management consistently with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies.

x. Undertake soil analysis and prepare a Management Plan including an ASSMP.	**Close**	Soil investigations and Acid Sulfate Soil Management Plans (ASSMPs) are undertaken on a project-specific basis where required, having regard to the nature and location of proposed works.

NODE STRATEGIES		
FORESHORE NODE N1: Mends Street (Piazza and Promenade) 	▪ N1.1 Pedestrian friendly piazza and promenade: o Improved relationship between retail facades and streetscape o Improved information/ signage from both Perth City and the Zoo o Improved connection between jetty and Mends Street/Harper Terrace ▪ N1.2 Lighting ▪ N1.3 Jetty improvements: o Provide diversity of commercial activity at the jetty o Provide opportunities for boating, mooring, and berthing/jetty extensions ▪ N1.4 Integrated transport: o Such as bus/ CAT service/ tram/ ferry/ water taxis ▪ N1.5 Increased activation along the Mends street retail centre and foreshore promenade: o Buskers, festivals, culture, food, events, including at evening and night ▪ N1.6 Create an identity and gateway ▪ N1.7 Interpretation of culture/heritage/history.	
NODE ACTIONS	**RECOMMENDED UPDATED ACTION NOVEMBER 2026**	**RATIONALE**
i. Undertake a retail and place activation strategy for the Mends Street Precinct	**Close**	The intent of the action has been achieved through the preparation and implementation of the Connect South Masterplan, which established the framework for the revitalisation and activation of the Mends Street precinct and Mindeerup. A range of

		place activation initiatives continue to be delivered within the precinct through the City's ongoing programs and activities.
ii. Prepare a Node Plan for the foreshore Piazza and Promenade, to connect with the commercial area of Mends Street, to connect with Perth Zoo including Windsor Park and the future Civic Triangle; in conjunction with stakeholders including the Mends Street Traders and Perth Zoo	**Close**	The intent of the action has been achieved through the preparation and implementation of the Connect South Masterplan, which established the framework for the redevelopment and activation of the Mends Street precinct and its connection with the South Perth Foreshore. The subsequent delivery of Mindeerup has implemented the key public realm, access, wayfinding and place activation outcomes envisaged for this area.
iii. Liaise with Swan River Trust and PTA regarding jetty use, extensions and opportunities for boat mooring	**Close**	The intent of the action has been achieved through liaison with relevant State Government agencies in relation to the Mends Street Jetty upgrade. The City provided input into the proposed jetty extension and associated infrastructure and identified additional opportunities to improve access, usability and recreational berthing.

iv. Consult with City of Perth and Perth Zoo regarding branding, marketing and integration of assets.	**Retain**	The action remains current and relevant.
v. Prepare Financial Business Case/ Economic Strategy for Mends Street and associated Piazza and Promenade.	**Close**	The intent of the action has been substantially addressed through the Connect South Masterplan, subsequent investment in the Mends Street/Mindeerup precinct and ongoing place activation initiatives. Future economic development, tourism and activation opportunities for the precinct can be considered through the City's broader strategic planning and business-as-usual activities.

FORESHORE NODE N2: Coode Street 	▪ N2.1 Upgrade family recreation facilities o toilet, barbeques, shade ▪ N2.2 Upgrade playground facilities o water play, all ages and abilities ▪ N2.3 Improve transport options and connectivity o ferry, bus, other links between adjoining nodes ▪ N2.4 Provide diversity of food and beverage outlets o restaurants, cafes, kiosk, micro-brewery ▪ N2.5 Increased opportunities for water based activities o rowing, sailing, boat mooring, water play ▪ N2.6 Upgrade boat ramp and boating facilities

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Analyse the results of the Shade and Vista Analysis (from strategy WOF 2) in preparation for a Node Plan to improve shade and shelter	**Update as per WOF2.viii:** address improvement of shade and shelter across Node N2, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City

		policies, including those relating to the provision of shade structures.
ii. Prepare a Node Plan to ameliorate conflicting uses and enhance the visitor / recreation experience by designing upgraded family and recreation facilities including playground and water based facilities; with provision for food and beverage outlets.	**Close**	A Node Plan and associated concept/master planning for the Coode Street area of Sir James Mitchell Park has been completed. Supporting improvements include a new toilet block incorporating a Changing Places facility. Food and beverage opportunities continue to be provided through the City's annual EOI process, including South Perth StrEATS and The Acai Corner.
iii. Investigate operator interest in establishing other food/beverage outlets	**Close**	The intent of the action has been achieved through the City's investigation of food and beverage opportunities and the subsequent Expression of Interest process for temporary small-scale café and food and beverage operations at Coode Street. Relevant external agency requirements and approvals were also considered as part of this process.

iv. Investigate opportunities for ferry/ boat mooring with liaison with PTA	**Close**	The intent of the action has been achieved through liaison with the Public Transport Authority and other relevant agencies as part of the Mends Street Jetty Upgrade project. Opportunities to improve ferry operations, jetty access and recreational boat mooring were considered, with the City also advocating for additional recreational berthing opportunities.
v. Trial of short-term activation ideas.	**Retain**	The action remains current and relevant.

FORESHORE NODE N3: Mends Street Beach 	▪ N3.1 Improve shade and shelter (whilst maintaining vistas) ▪ N3.2 Introduce kayak/canoe launching pads

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Analyse the results of the Shade and Vista Analysis (from strategy WOF 2) in preparation for a Node Plan to improve shade and shelter.	**Update as per WOF2.viii:** address improvement of shade and shelter across Node N3, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies, including those relating to the provision of shade structures.

ii. Investigate the introduction of kayak/ canoe launching pads	**Close**	Investigation of kayak and canoe launching opportunities has been undertaken. Existing access at Miller's Pool is considered adequate to support kayak and canoe launching, with convenient access between nearby parking and the foreshore.
iii. Prepare a Node Plan to improve shade and shelter and introduce kayak/ canoe launching pads	**Update:** Address opportunities to improve shade and shelter within the node, consistent with the Urban Greening Strategy 2025–2035, the priorities and initiatives established through the Urban Greening Implementation Plan, and applicable City policies.	The kayak and canoe launching component is no longer required, as existing access at Miller's Pool has been assessed as adequately meeting this need (refer Action N3.ii). The remaining shade and shelter component remains relevant but should be addressed through the City's broader urban greening approach rather than through a separate Node Plan, consistent with the approach recommended for Action WOF2.viii.

FORESHORE NODE N4: Coode Street Beaches 	▪ N4.1 Improve shade and shelter (whilst maintaining vistas) ▪ N4.2 Introduce kayak/canoe launching pads ▪ N4.3 Introduce beach activities o sand play and deckchairs o volleyball facilities / pontoon / swimming ▪ N4.4 Introduce beach art/sculptures o temporary or permanent

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	COMMNENTS
i. Analyse the results of the Shade and Vista Analysis (from strategy WOF 2) in preparation for a Node Plan to improve shade and shelter	**Update as per WOF2.viii:** address improvement of shade and shelter across Node N4, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies, including those relating to the provision of shade structures.

ii. Investigate the introduction of kayak/ canoe launching pads and trial their introduction	**Close**	Existing foreshore beach access is considered suitable for recreational and commercial kayak/canoe activities, with current operators able to launch and land directly from the beach without dedicated launching infrastructure.
iii. Trial short term activities, particularly during the summer months, including sand play, deckchairs, beach umbrellas, volleyball, swimming pontoon	**Retain**	The action remains current and relevant.
iv. Trial the introduction of beach art/ sculptures.	**Close**	The intent of the action has been substantially achieved through the progression of the Sentinels public artwork, including completion of the design and relevant approvals, with installation planned. Future opportunities for public art and sculpture along the foreshore can be considered through the City's broader public art and Cultural Plan 2023-2028 rather than as a separate Foreshore Plan action.

v. Prepare a Node Plan incorporating the findings of the Shade & Vista Analysis, and informed by the results/ response to the short term activities to develop the node long term.	**Retain**	The action remains relevant pending completion of action N4.i.

FORESHORE NODE N5:

Mill Point

- N5.1 Improved pedestrian and cycle links to the city
- N5.2 Rehabilitate existing lake (Millers Pool)
- N 5.3 Improve cycling infrastructure
  - drink/food stop (permanent or temporary)
- N5.4 Introduce sustainable energy initiatives
  - Solar
  - Wind
- N5.5 Interpretation of culture /heritage /history

(*Note that the area east of the Narrows Bridge is considered in the Kwinana Freeway Foreshore Management Plan, not in this SPF Plan.*)

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Assess the feasibility of the current Old Mill Redevelopment proposal and test alternative business case scenarios; and develop a new Node Plan to suit the Strategy N5 for Mill Point.	**Close**	The intent of the action has been achieved through the redevelopment of the Old Mill precinct, including improvements to public access and parklands, installation of cultural and heritage interpretation, reactivation of regular tours and establishment of the Cultural Hub.

ii. Refer Strategy WOF 4 for information regarding the actions to prepare a Culture and Heritage Interpretation Plan for the whole of foreshore, and incorporate this as a significant node in the planning for such	**Close**	The intent of the action has been achieved through the Old Mill First Nations Interpretative Materials Project, which has provided cultural and heritage interpretation specific to the Old Mill precinct. As the required interpretation outcomes for this node have been delivered, it is recommended that the action be closed, with any future cultural and heritage interpretation initiatives addressed through the City's Reconciliation Plan 2025-2030 and the City's Cultural Plan 2023-2028.

FORESHORE NODE N6: Deck, Melaleuca Grove, Scented Garden 	▪ N6.1 Undertake improvements of Scented Gardens; ▪ N6.2 Improved access and connectivity; ▪ N6.3 Expand and enhance Melaleuca Grove/ boardwalk; ▪ N6.4 Introduce fodder garden for educational purposes, managed in partnership with Perth Zoo.

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Analyse the results of the Shade and Vista Analysis (from strategy WOF 2.3) in preparation for a Node Plan	**Update as per WOF2.viii:** address improvement of shade and shelter across Node N6, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies, including those relating to the provision of shade structures.

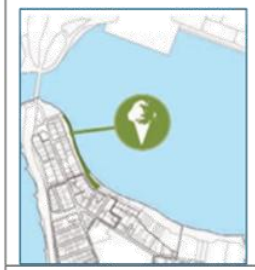

ii. Prepare a Node Plan to consider biodiversity, passive recreation, improved access and connectivity and interpretation, incorporating an expanded and enhanced Melaleuca Grove and improved Scented Gardens	**Close**	The intent of the action has been substantially addressed through improvements to the area, including completion of the boardwalk replacement through Melaleuca Grove to improve access and connectivity. Remaining biodiversity, landscaping and open space improvements are more appropriately considered through the City's ongoing management of the foreshore and relevant urban greening initiatives.
iii. Consider the naming of this node to better reflect its improved interrelatedness	**Retain**	The action remains relevant.
iv. Liaise with Perth Zoo in relation to developing a fodder garden'; plan for and implement garden.	**Close**	The proposed fodder garden has not progressed and is no longer considered necessary as a specific Foreshore Plan action. Future planting and urban greening initiatives for the South Perth Foreshore should instead be considered through the Urban Greening Strategy 2025–2035 and the priorities and initiatives established through the Urban Greening Implementation Plan.

FORESHORE NODE N7: The Lakes 	▪ N7.1 Enhance and encourage the flora/fauna of the lakes ▪ N7.2 Ecological rehabilitation of the lakes and open drain ▪ N7.3 Improve storm water management and water harvesting capabilities of the lakes and drain ▪ N7.4 Nature play space ▪ N7.5 Environmental education and information ▪ N7.6 Interpretive centre with café.

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Develop a Node Plan to build on previous planning for the swan habitat, including design for improvements to the water quality of the lakes and enhancing fringing vegetation for bird refuge; which incorporates improved path and bridge connections back to the adjoining streets; while integrating the area into its surroundings	**Close**	The intent of the action has been substantially addressed through subsequent environmental improvement works and ongoing management of the area, including improvements to water quality at Tondut and Hurlingham Lakes and initiatives supporting habitat, vegetation, access and connectivity. It is therefore recommended that the action be closed, with future biodiversity, water quality and vegetation improvements addressed through the Urban Greening Strategy 2025–2035, the Urban Greening Implementation Plan and relevant future projects.

ii. Replace the Hurlingham playground with an accessible nature play space in The Lakes area, which incorporates improved picnic / recreation areas for families (following installation of accessible playground at Node N2 Coode Street).	**Close**	The intent of the action has been achieved through completion of the Hurlingham playground upgrade in 2021, which replaced the existing play equipment and introduced new play facilities, including accessible play elements. Future upgrades will be managed through the City's ongoing asset renewal programs.
iii. Investigate site qualities and geology (including ASS & contamination) in preparation for above planning, and for remediation.	**Close**	Soil investigations and Acid Sulfate Soil Management Plans (ASSMPs) are undertaken on a project-specific basis where required, having regard to the nature and location of proposed works.
iv. Investigate and plan for water sensitive urban design (WSUD) for implementation of improved storm water management and water harvesting.	**Close**	The action is no longer considered necessary as a standalone foreshore action. Water Sensitive Urban Design and stormwater management outcomes are being addressed through targeted projects and the City's broader urban greening and water management approach. Future WSUD, stormwater management and water harvesting opportunities should be

		considered through relevant projects and in accordance with the Urban Greening Strategy 2025–2035 and the priorities and initiatives established through the Urban Greening Implementation Plan.
v. Partnership/s with Perth Zoo and environmental organisations	**Close**	In 2026, the City worked with five local community and environmental groups to deliver urban greening partnership projects within the local area, including around the Lakes on Sir James Mitchell Park.
vi. Promote education and involvement by school groups and other volunteers.	**Retain**	This action remains relevant.
vii. Investigate opportunities for an Interpretive Centre with café.	**Close**	Recommended for Closure. The action proposes a specific facility outcome rather than a strategic objective.

FORESHORE NODE N8: Esplanade West 	▪ N8.1 Improved facilities: ○ seating and picnic ▪ N8.2 Improved lighting infrastructure: ○ safety ○ feature ▪ N8.3 Improved relationship to water's edge ▪ N8.4 Improved shade and shelter facilities (whilst maintaining vistas).

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Analyse the results of the Shade and Vista Analysis (from strategy WOF 2.3) in preparation for a Node Plan to improve shade and shelter (whilst maintaining vistas)	**Update as per WOF2.viii:** address improvement of shade and shelter across Node N8, consistent with the Urban Greening Strategy 2025–2035 and in accordance with the priorities and initiatives established through the Urban Greening Implementation Plan and applicable City of South Perth policies.	The action remains relevant; however, it is recommended that those initiatives are managed within the City's broader urban greening approach rather than through a separate foreshore-specific plan. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan and applicable City policies, including those relating to the provision of shade structures.
ii. Investigate the recreational value of turf areas located across the length of the Esplanade reserve, given that its	**Update:** Investigate opportunities to optimise turf areas and increase native planting across the South Perth Esplanade, while retaining appropriate areas for recreation, picnicking and key vistas, consistent with the Urban Greening Strategy	The action remains relevant; however, it is recommended that the future management of turf and opportunities for increased native planting along the South Perth Esplanade are considered through the City's broader urban

primary community use occurs on its dual cycle and pedestrian paths. This may include planting of native plant species and reduction in turf areas to particular 'vista picnic spots'.	2025–2035 and the priorities and initiatives established through the Urban Greening Implementation Plan.	greening approach. As the Urban Greening Implementation Plan is currently commencing public consultation, future priorities should be informed by the outcomes of that process and the final adopted Implementation Plan.
iii. Investigate priorities and recommendations from the City of South Perth Bike Plan and related studies and incorporate into Node Plan	**Update – Merge with Action WOF1.i:** Set priorities for cycling and active transport improvements based on the updated Bike Plan and the Integrated Transport Plan 2021–2031, and incorporate identified priorities into future asset renewal and capital works programs.	The action overlaps with WOF 1.i and is therefore recommended to be consolidated into the broader transport action.
iv. Prepare Node Plan to develop the node as a waterfront promenade with improved seating, picnic facilities, shade and shelter and lighting; in order to encourage more users to prolong their stay; and provide facilities for walkers/ exercisers and cyclists such as drink fountain/s.	**Close** – Duplicated by Action N8.i, N8.ii., WOF1.i and WOF1.ii.	The action substantially overlaps with Action ii in relation to improving the amenity and recreational function of the Esplanade, including shade, shelter, seating and picnic opportunities. Active transport and lighting improvements are also addressed through other actions within the Foreshore Plan. It is therefore recommended that this action be closed to avoid duplication, with relevant future improvements progressed through the corresponding retained or updated actions.

FORESHORE NODE N9:

Flagpole

- N9.1 Improve family and picnic facilities
- N9.2 Expression of site history:
  - Chinese market gardens
  - European Settlement
  - Aboriginal history
- N9.3 Develop the area as a civic ceremony and events space.

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Review the detailed plan prepared for the upgrade of the Flagpole site and prepare an updated Node Plan	**Close**	Investigation and development of concept plans for the Westralia Centre at the Flagpole site were undertaken. Following consideration of the proposal, a decision was made not to proceed with the development.
ii. Prepare schedule of events and event requirements for input into upgrade plans	**Retain**	The action remains relevant

iii. Refer Strategy WOF 4 for information regarding the actions to prepare a Culture and Heritage Interpretation Plan for the whole of foreshore and incorporate this as a significant node in the planning for such.	**Close**	This action is linked to WOF 4.i, which is recommended for closure as a standalone Culture and Heritage Interpretation Plan is no longer considered necessary. Future cultural and heritage interpretation opportunities for this node can instead be considered through the City's Reconciliation Plan 2025–2030, public art initiatives, the future Cultural and Social Strategy, and relevant future foreshore projects. Closing this action avoids duplication while allowing site-specific interpretation opportunities to continue to be considered as appropriate.

FORESHORE NODE N10:

Ellam Street

- N10.1 Pedestrian/ cycle link to Heirisson Island
- N10.2 Improved interaction with the water's edge
  - introduce new beaches
  - planted edge treatment with boardwalk
- N10.3 Improve exercise, sport and recreation facilities
  - Fitness facilities
  - Outdoor sporting infrastructure
  - Water based activities such as rowing
- N10.4 Improve access and signage
- N10.5 Commercial activity
  - Food
  - Beverage
- N10.6 Utilise area as an events space

NODE ACTIONS	RECOMMENDED UPDATED ACTION NOVEMBER 2026	RATIONALE
i. Liaise with City of Perth regarding Heirisson Island Masterplan proposal and Perth Waters planning, and possible integration with it regarding a pedestrian/ cycle link.	**Close**	The pedestrian and cycling connectivity contemplated by this action has been addressed through delivery of the Boorloo Bridge which provides improved pedestrian and cycling connections in the area.

ii. Geological and hydrological investigation and planning for effective subsoil drainage to allow area to be modified as suitable for winter use	**Close**	A geotechnical investigation was completed and the suitability of the site for the proposed development was assessed. Following consideration of the investigation findings and associated costs, Council determined not to progress the Sir James Mitchell Park (Ellam Street end) Sports Spaces Feasibility Study.
iii. Investigate the demand and opportunities for junior sport; and the provision of fitness facilities and infrastructure and incorporate into the Node Plan	**Close**	The action was linked to the proposed development of sports spaces at the Ellam Street end of Sir James Mitchell Park. As Council resolved under Council Resolution 0325/030 not to progress the associated project, the investigation of junior sport demand and associated fitness facilities and infrastructure is no longer required for this purpose.
iv. Engage the local community and relevant stakeholders to define “appropriate” events for this space, taking into account the WOF 3 recommendations for activation of the foreshore; as well as the provision of food and beverage providers/ outlets (whether	**Close**	The action was associated with the proposed future development and activation of this area. As Council resolved under Council Resolution 0325/030 not to progress the associated project, further community and stakeholder engagement to define appropriate events and food and beverage opportunities for this purpose is no longer required.

permanent or temporary).		
v. Develop a Node Plan to consider the above, along with beaches development and provision for water based activities such as rowing; and development of a picnic and passive recreation space near the foreshore; and food and beverage providers/ outlets.	**Close**	The preparation of a detailed Node Plan was dependent on the outcome of investigations into the potential redevelopment of the Ellam Street area. As Council subsequently resolved under Council Resolution 0325/030 not to progress the associated project, preparation of the Node Plan is no longer required.

TERMS OF REFERENCE

Public Health Advisory Group

1. OBJECTIVES

1.1 The objectives of the Public Health Advisory Group are to advise and make recommendations on:

(i) The implementation of the City's Public Health Plan and other public health matters as requested by the City.

(ii) Current and emerging public health issues, including analysis of public health information and data;

(iii) Public health initiatives to support implementation of the City's Public Health Plan and to optimise the health and wellbeing of the local community; and

(iv) To develop and promote collaboration between the City, primary health networks, Curtin University and health care professionals and providers.

2. MEMBERSHIP

2.1 Membership of the Advisory Group shall be:

(i) Elected Members - A minimum of one (1) City of South Perth Elected Member;

(ii) Industry Members – A minimum of one (1) representative from the East Metropolitan Health Service, one (1) representative from Curtin University and one (1) representative WA Primary Health Alliance;

(iii) Community Members – A minimum of one (1) and a maximum of three (3) Community Members who are electors of the district;

(iv) Local Industry Members – A minimum of one (1) and a maximum of three (3) Local Industry Members in health related professions; and

(v) City Officers as determined by the Chief Executive Officer.

2.2 The term of membership is for two (2) years aligned with the Local Government Ordinary Elections.

2.3 All Members are required to comply with the City of South Perth Code of Conduct. The CEO may terminate a Member for non-compliance with the City of South Perth Code of Conduct.

3. PRESIDING AND DEPUTY MEMBERS

3.1 Members of the Advisory Group are to elect a Chair and Deputy Chair at the first meeting of the group following the Ordinary Local Government Election.

4. MEETINGS

4.1 The Advisory Group shall meet quarterly per calendar year.

4.2 Notice of meetings and an agenda will be given at least seven (7) days prior to each meeting.

4.3 The Chair will preside the meetings, or in the absence of the Presiding Member, the Deputy Chair, in accordance with the Terms of Reference.

4.4 A quorum for a meeting of the Advisory Group is at least 50% of members.

4.5 Decisions of the Advisory Group are made by reaching a consensus view.

4.6 The City is responsible for the preparation of the agenda, taking notes at each meeting and circulating them to all members.

4.7 Matters discussed at the Advisory Group are confidential and Members shall declare interests prior to items being discussed.

5. DELEGATIONS AND POWERS

5.1 The Advisory Group has no delegated authority under the *Local Government Act 1995*, no authority to expend funds and decisions of the Committee do not bind the Council and the City of South Perth.

5.2 Pursuant to section 2.8(d) of the *Local Government Act 1995*, the Mayor is authorised to speak on behalf of the Local Government. The Chief Executive Officer may speak on behalf of the Local Government by approval of the Mayor. Members of the Advisory Group may not speak, issue public statements or publish on social media on behalf of the Advisory Group or Council, without the approval of the Mayor.

5.3 Neither the Advisory Group nor its members shall impinge on operational aspects of the City's functions.

6. AMENDMENTS

6.1 The Chief Executive Officer may amend the Terms of Reference.

TERMS OF REFERENCE

CEO Selection Committee

Responsible Director/s	Chief Executive Officer
Responsible Business Unit/s	People and Performance
Quorum	The quorum for a committee meeting is set by section 5.19 of the Act.

1. Establishment

The CEO Selection Committee is a panel established as a committee of council under s 5.8 of the *Local Government Act 1995*

2. Objective

The objectives of the committee is to:

- Act as an advisory Committee to Council for the duration of the CEO recruitment process.

3. Areas of Responsibility

The areas of responsibility of the committee/panel are:

- The Selection Committee to coordinate the recruitment process in an appropriately confidential manner, with the assistance of an independent person and a recruitment consultant, to attract applicants and select an appropriate candidate.
- The Selection Committee, with the assistance of the recruitment consultant, is to coordinate the preparation of an application package, position description, recommended remuneration package, advertising, searching for applicants, short listing, development of interview process, conducting interviews, screening, assessing, conducting referee checks (and other necessary checks), writing reports and contract preparation; and

- The Selection Committee is to make a recommendation to Council on the preferred candidates and remuneration package to be offered.

4. Membership

The committee/panel shall consist of:

- Up to 9 Council Members; and
- At least one independent person.

5. Committee operations

- The general affairs of the committee shall be administered in accordance with the *Local Government Act 1995* and *Local Government Administration Regulations 1996*.
- The Committee's recommendations must be adopted by Council before implementation.

6. Meetings

The Committee shall convene as required to undertake its responsibilities related to the selection and appointment of the Chief Executive Officer for the City of South Perth.

7. Reporting and Minutes

The City is responsible for keeping minutes of all business transacted at each meeting.
